#### INDEPENDENT AUDITOR'S REPORT

To. The Members. ARVIND INFRASTRUCTURE LIMITED Ahmedabad.

## Report on the Financial Statements

We have audited the accompanying financial statements of ARVIND INFRASTRUCTURE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and operating effectiveness of such control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on financial statements.

### Notes forming part of accounts

## 1. Summary of Significant Accounting Policies

### (a) Basis of preparation of financial statements

- (i) The financial statements of the company have been prepared and presented in accordance with the generally accepted accounting principle under the historical cost convention on an accrual basis. The Company has prepared these financial statements to comply in all material respects with the Accounting Standards as prescribed under section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014.
- (ii) The accounting policies adopted in the preparation of the financial statements are consistent with those of previous year.

## (b) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reported period. Differences between the actual result and estimates are recognised in the period in which the results are known/ determined.

Significant estimates made by the management in the preparation of these financial statements include computation of percentage completion for projects in progress, project cost, revenue and saleable area.

### (c) Revenue Recognition

(i) Recognition of Revenue from real estate projects

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Income from operations is net of adjustment on account of cancellation/returns if any.

Revenue from sale of developed property is recognized upon transfer of all significant risks and rewards of ownership of such property, as per the terms of the contracts entered into with buyers, which generally coincides with the firming of the allotment letter/agreements, except for contracts where the Company still has obligations to perform substantial acts even after the transfer of all significant risks and rewards.

Revenue from projects is recognized when it is reasonably certain that the ultimate collection will be made and that there is buyers' commitment to make the complete payment.

#### (ii) Interest income

Income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

#### (d) Fixed Assets

Fixed Assets are stated at their original cost including incidental expenses related to acquisition and installation, less accumulated depreciation. Cost comprises of the purchase price and any other attributable cost of bringing the assets to its working condition for its intended use.

At the balance sheet date, an assessment is done to determine whether there is any indication of impairment in the carrying amount of Company's fixed assets. If any such indication exists, the asset's recoverable amount is estimated .An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

After recognition of impairment loss, the depreciation charge for the assets is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on straight line basis over its remaining useful life.
