2. DIVIDEND

The Board of Directors of the company have decided to forgo dividend during the year on account of Loss incurred by the company.

3. APPROPRIATION :

The Net result of operations have resulted in Loss and hence no appropriations are made for the year.

4. PRESENT WORKING :

The Current year witnessed a slow down in production, arising on account of below par capacity utilisation. The disruption in the continuous working capital flow have severely effected business, causing erosion in margins, adding to production and operation cost.

The expansion project has not commenced commercial production, the financial constraints and cost over run have impeded the commencement of the project, gearing up the expansion project and providing for additional working capital requirement are under negotiation, all efforts are being directed for an early solution to the present state mate.

The company aims to secure a higher capacity utilisation of its production capacity and an concentrated effort on value added product to improve its future performance.

5. INSURANCE :

All the properties belonging to the Company are duly insured against all risks.
