The Board of Directors of the company have decided to forgo dividend during the year on account of Loss incurred by the company.

**3. APPROPRIATION :**

The Net result of operations have resulted in Loss and hence no appropriations are made for the year.

**4. PRESENT WORKING AND REASONS FOR LOSS :**

The company has operated in the year under review at a very low capacity which works out to 15 % capacity utilisation of weaving units and 30 % process house approximately. Liquidation of stocks and roll over and recovery from debtors was extremely difficult due to bad economic situation prevailing in the country and the economy as a whole.

The Hongkong and Shanghai Bank, one of the participating banks to companies working capital requirement exited where by triggering working capital crisis, Rs.100 lacs was liquidated from the companies accounts directly.No alternative bank could be inducted inspite of the efforts made by the management due to bad economic situation prevailing in the country. Hongkong Bank has gone ahead and filed recovery suit against the company, which is being contested in the Honorable Court.

Even the existing bank who gave the sanction for enhancement of limit did not disburse the limit due to apprehension created by the withdrawal of limit by The Hongkong & Shanghai Bank, As the exiting bank continued to force for repayment.

Expansion project suffered due to ensuing liquidity crisis and lack of working capital funds.

Apart from internal and external constraints the market conditions kept on deteriorating in terms of demand and prices due to South-East Asian crisis and substantial currency devaluation in most of these countries, rendered our product incompetetive and also dumping tendency of crisis ridden South-East Asian countries flooded the market with cheap goods.

Company suffered severe set back in its export market and due to general recession even local markets was very difficult. The current year could be termed as one of the toughest year in terms of finance, business and production thus resulting in loss as shown in the results above.
