CHAIRMAN'S LETTER TO THE SHAREHOLDERS

Dear Shareholders,

I take pleasure in presenting the 24th Annual Report of the Company.

During the year gone by, higher input and interest costs resulting from continuing high inflation had an adverse impact on profits, but I am glad to report that your Company has been able to sustain operational stability.

BUSINESS DEVELOPMENT:

Housing is one of the basic requirements for human survival. For a shelter less person, possession of a house brings about a profound social change in his existence, endowing him with an identity, thus integrating him with his immediate social milieu.

The typical demographic setting of India particularly gets highlighted when we look into the trend over the years. A steep rise in population is a major reason for the increase in demand of residential units, affordable homes and basic infrastructural facilities. India is the second most populous country in the world and at this point the foremost interest is developing the infrastructural facilities of lodging the primary need of housing for the population. Most of the economist across the world opines that a sharp increase in the real estate and property prices in India in the coming years. Our consistent efforts therefore have been to make first hand insight into the pressing problems of housing development.

The company has taken up project for “**Affordable Housing under PPP model**” with Govt. of Rajasthan at Jhunjhunu (Rajasthan) for construction of 1500 Flats on 52% Land for EWS/LIG/MIG beneficiaries to be allotted by Govt. directly. The company will construct same no. of Flats on balance land 48% to be marketed by company. The total built up area will be are 14 lac Sq. Ft to be completed in 3 years. The Govt. of Rajasthan has already invited application from 2500 beneficiary in September 2011. The project was delayed by Govt. due to some problems by Govt.

Now application for land use convection is in process & likely to completed by Mid October 2012 & construction will commence by mid January 2013.

Installation of Slab/Block Manufacturing

Due to MNAREGA scheme high dev in Bihar, Chhattisgarh, getting laborer for constriction is difficult day by day. To overcome these problems the company is installing the **Prestress Precast Hollow Core slab** plant by German Technology. The plant is fully automatic require 7 operators yielding 7000 Sq. Ft. Slab/day to be used next day due to steam curing.

Similarly Company is planning to install Automatic concrete Block making plant capacity 70,000 Blocks per day with German Machinery.

These two major raw materials will be used (75%) for captive use will result in improvement of bottom line along with quality products & time saving in construction period.

ORGANISATIONAL DEVELOPMENT:

Organizational development depends on Human resources and its Management because they are the most valued assets and the Company believes that people do make a lot of difference as human resources individually and collectively contribute to the achievement of the objectives of the business. The Company employs people, develops their capacities, skills, attitude, utilizing, maintaining and compensating their services in time with the job and organizational requirement. Therefore the Company continues to give prime attention to them and build them as demand for housing activity is growing exponentially and to meet the new challenges.

The Company's major focus continues to be "Dedicated to slum development and service to poor class people and its Endeavors to create and nurture a long lasting relationship during the entire period of our association.

ACKNOWLEDGEMENTS:

Your Company remains committed to the underlying values of providing exemplary customer service, achieving business objectives with social responsibility and enhancing stakeholder value.

I look forward to your continued support in the year ahead and wish you the very best.

Thanking You,

L.J.RATHI
(CHAIRMAN & MANAGING DIRECTOR)
