The quantity of RLH/LP Gas bottled and sold was 625.70 Metric Tonnes during the year compared to previous year's figure of 703.83 M. As regards Steel Tube manufacturing unit at Serampore, Hooghly, W.B., the Company sold 4660.46 M/Tonnes of Steel Pipes (Previous year 1981.63 M/Tonnes). Your Directors are continuing their efforts to improve upon the performance of all the units of the Company with a view to increase the sales and profits. During the current year the net profits of the Company were Rs. 7.94 lacs (Previous year Rs. 21.29 lacs) which are being carried forward. Although the turnover of the Company increased, the resultant profitability was affected to a large extent due to steep hike in the cost of all inputs, overheads and increased competition and lower margin recovered on all the items.
