As per the amended Listing Agreement with the Stock Exchange, your Company is required to comply with the requirements of Corporate Governance. The Report on corporate Governance forming part of this Report as under.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry structure

All round Industrial recovery in India will help the prospects of your company also.

Strengths :

Due to the increase in the crude oil prices the prospects for Acetic Acid and Ethyl Acetate will be better.

Weakness :

The company is not able to increase its production due to lack of funds and bank credit facilities

Opportunities :

The well acceptability of the companies products in the international market will boost the exports and overall margin of your company.

Threats :

The availability of inadequate funds is a major constraint for the company. The current operations are affected due to the lack of funds and bank facilities. The company is confident to achieve 100 % capacity production if required funds are made available.

Segment wise performance :

The products of the Company are organic chemicals and form a single segment only.

Financial Performance:

Due to Non-availability of Credit facilities the company's profitability has suffered and also resulted in lower margins, this has led to low profit, but, due to cost reduction efforts has resulted in achieving better results.

Internal control systems :

The existing internal control system is monitored continuously. The management is in constant discussion with the divisional heads for reviewing and updating the internal control systems. The statutory auditors also apprise the management about the internal control systems during the pre-audit and post-audit meetings.

Internal Auditor:

The Company has appointed M/s. Y.S. Mujumdar & Co. Chartered Accountants as Internal Auditor to strengthen the internal Control Systems in the Company.
