Profit After Tax (PAT)	83.24	144.33

2. DIVIDEND :

From the financial results for the year under review, it is evident that your company has earned Profits after Tax (PAT) of Rs. 83.24 Lacs, however in view of accumulated losses of Rs. 3.75 Lacs, your Directors regret that it would not be possible to declare any dividend.

3. PLANT OPERATIONS:

The turnover of the company has increased as compared to the previous year due to better market conditions. In quantum wise production of SSP has decreased 1.52% whereas production of Sulphuric Acid has decreased 3.34%, Net Profit has also been decreased during the year 2012-13 because of subsidy reduced by Rs. 1886 per MT. by Government and down trend of value Rupee in comparision to Doller .

Pursuant to the purchase agreement entered into with M/s Shriram Fertilizers & Chemicals (A Division of DCM Shriram Consolidated Ltd.) on 22.10.02 Your company is able to achieve production of 47868 MT of SSP during the year 2012-13 against the targeted production of 55000 MT which is 87.03 % of the production target and 72.53% of installed capacity and despatched 48155 MT. of SSP during the year. The production of Sulphric Acid was 34176 MT which is 103.56% of the installed capacity of the plant. The sale of Sulphuric Acid was 16793 MT and 17232 MT Sulphuric Acid has been consumed for production of SSP. We wish to inform you that your company has entered a fresh purchase agreement with Shriram Fertilizers & Chemical (A division of Shriram Consolidated Ltd.) from 1.4.2011, in which the total production target is fixed 65000 MT & Shriram Fertilizers & Chemicals has agreed to purchase total production of SSP. Your company has agreed to pay only commission on sales and interest on deployed advances @ 1% - SBI PLR to Shriram Fertilizers & Chemicals. To maintain the production schedule, your company has installed a new grinding mill so that targeted production can be achieved smoothly.

We also wish to inform you that company has installed a new plant of Micro Nutrient in which the production of Zinc Sulphate, Magnisum Sulphate, Copper Sulphate, Zyme and Bio-Fertilizer will be made and the production is likely to start in the month of June or July 2013.

4. FINANCE:

We are glad to inform that as on date your company has no debts owing to Financial Institutions.

5. INDUSTRIAL RELATIONS

The company has generally maintained cordial relations with the employees.

6. PUBLIC DEPOSIT :

Your company has not invited any deposit from the public in terms of provisions of section 58-A of the Companies Act, 1956 read with the Companies (Acceptance of Deposits) Rules, 1975.

7. DIRECTORS

Shri A. K. Matanhelia, Managing Director, Shri P. K. Matanhelia, Director, & Shri G. N. Gupta, director retires by rotation at the forthcoming Annual General Meeting & being eligible, offers himself for the re-appointment.

8. PARTICULARS OF EMPLOYEES:

There was no employee in the company whose particulars are required to be given pursuant to Section 217(2A) of Companies Act, 1956.

9. INDUSTRY STRUCTURE:

Nitrogen, phosphors, potassium are three major constituents of fertilizers. India has good reserves of phosphate rocks, which can be processed to give water soluble phosphatic fertilizers. Single Super Phosphate is a cheap fertilizer and also known as common farmer's fertilizer.

10. DEVELOPMENT IN GOVERNMENT POLICY:

Investment required for setting up a SSP unit is modest compared to Nitrogenous fertilizers. The setup with indigenous technology does not depend in any imported material because of availability of good quality of rock phosphate with Rajasthan State Mines & Minerals Limited a State Govt. Undertaking. The demand of fertilizers is likely to increase with the emphasis by the Govt. on augmenting agriculture produce.

11. OPPORTUNITIES:

Since agriculture sector has its own importance in Indian economy, it is bound to grow and our product SSP has also its own importance in Agriculture sector.

Due to heavy increase in imported price of DAP and non-availability of DAP in world market, Govt. of India has emphasized to promote SSP to fulfill the demand of phosphatic fertilizers.

- i2. RISK AND CONCERN :**
- (a) Government Policy :**
The Govt. has opened the MRP of SSP from 01/04/11 and manufacturers are free to decide their rates.
 - (b) Availability of Raw Material:**
Rajasthan State Mines & Mineral Ltd., a Govt. undertaking is the sole supplier of our basic raw material i.e. Rock Phosphate. The company has also imported the Rock Phosphate during the year.
 - (c) Subsidy on SSP**
The Govt. of India has introduced nutrient base subsidy policy for all type of fertilizers including SSP. The Govt. of India fixed subsidy for whole year.
- 13. INTERNAL CONTROL SYSTEM :**
The company has proper and adequate system of internal control to ensure that all assets are safeguarded; transactions are authorized, recorded and reported correctly. The controls also ensure compliance with policies statutes.
- 14. RISK MANAGEMENT :**
The management of your company controls business processes through operational systems, procedures and financials limits of authority. Your company is in process to make manuals for systems and procedures and delegation of powers and duties.
- 15. TOTAL QUALITY MANAGEMENT :**
The emphasis on quality management followed by your company has yielded harmonious relationship at all levels. The management philosophy to have a strong marketing focus with excellent customer's services in a wide-ranging marketing area is apparent from the excellent achievement on this score in the past.
- 16. CAUTIONARY STATEMENT:**
The report may contain certain statements that the company believes are, or may be considered to be "forward looking statements" that describe our objectives, plans or goals. All these forward looking statements are subject to certain risks and uncertainties, including but not limited to, Government action, economic development, risks inherent in the company's growth strategy and other factors that could cause the actual results to differ materially from those contemplated by the relevant forward looking statements.
- 17. CONSERVATION OF ENERGY:**
Your company has been making continuous efforts to reduce energy consumption and achieve high plant operating efficiencies. The requisite information with regard to conservation, technology absorption and foreign exchange earning and outgo in terms of the Companies Act, 1956 (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 is setout in a separate statement attached here to as Annexure-I.

18. ENVIRONMENT:

The focus of your company is "Environment " friendly and quality production by adopting stringent controls for pollution free plant running coupled with regular monitoring arrangements for air, water and effluent zero level pollution.

19. DIRECTORS RESPONSIBILITY STATEMENT:

As required under section 217 (2AA) of the companies Act, 1956 your Directors state:

- (a) That in the preparation of the Annual Accounts, the applicable Accounting Standards have been followed along with proper explanation relating to material departure.
- (b) That the accounting policies selected and applied are consistent and judgments and estimates made are responsible and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit / loss of the company for that period.
