EMBALLAGE

Located on 600 acres of land on the outskirts of Ahmedabad, our factory is built up on half a million square feet housing the best and the most sophisticated equipment in the world. Our factory is of truly global capacities; our high speed corrugator from Peters, Germany is capable of making close to 200,000 square meters of board, enough

for nearly half a million boxes every day. This board is then made into boxes on our converting machines. Two "inline" flexo folder gluers from Martin, France, each print, slot fold and glue boxes at the rate of over 10,000 boxes an hour. Our "off-line" machines include the SPO 160 diecutter, the Flexo 160 five colour printing machine, and the

Domino 165 Matic, all from the Rolls Royce of the corrugating industry, Bobst of Switzerland.

>Add to this scientifically designed layout with the best raw material and finished good handling and storage facilities; plus the most sophisticated of ancillaries, such as the Computerised Glue kitchen (which makes glue of perfect viscosity and composition) and our waste handling system, you have a truly world class facility.

DIVIDEND

Your directors would like to inform you that 1996-97 being the first year of commercial production, the company has focused all its efforts into building a strong base in terms of its marketing, production and customer education regarding corrugated boxes. Your directors are confident that these efforts will bear fruit during the current and subsequent years. In absence of profit, your company is skipping dividend for the year 1996-97. Members may recollect that your Company had paid a dividend of Rs. 2.10 per equity share for the year ended on 31/03/96.

OPERATION

1996-97 has witnessed the birth of a revolution in the corrugated box industry in India with your company completing the commissioning of its Rs. 120 crore state-of-the-art plant spread over an area of 600 acres, in a record 15 months. The technology is imported from Germany, Switzerland, France and Holland.

Your Company has completed the first phase of its project and started trial production from the month of June, 1996 and commercial production from the month of September, 1996.

This period also witnessed the setting up of the Chrysalis Design Studio - India's first studio dedicated to the corrugated box industry with an investment of over Rs. 300 lacs worth of hardware and design software. Chrysalis studio also has a corrugated box museum with a large collection of international boxes.

Presently your Company is supplying its products to more than 30 corporate clients with repeat orders from many of them. Some of the valuable clients are - Godrej Foods Ltd., Rajasthan Spinning & Weaving Mills Ltd., Gujarat Cycles Ltd., NDDB, Amrit Group of Companies, Panasonic, Domino's Pizza, Bell Group of Companies, Wipro, Cadbury's, Welspun Group, Jain Group, Mahendra Suitings, TNT World-wide Express etc.

CONVERSION OF DEBENTURES INTO EQUITY

During the financial year 95-96 the Company had issued 91,02,960 Debentures on Rights Issue basis, and the said debentures were converted into Equity Shares at the ratio of 1:1 on 1-04-96.
