CHAIRMAN'S MESSAGE

Bajaj Electricals Ltd.
Inspiring Trust

Dear Shareholders,

The last two financial years have been very challenging. The performance for the year 2013-14 has been extremely disappointing especially when the closure of many old projects and the consequential cost overruns which have impacted the profits of the project business, the margins of both consumer durable business and lighting business have also come down, which have impacted the profits of these business also. The growth in sales has also been slowest growth in the last decade.

The Company registered a growth of 19.3% in net sales/income from operations to achieve a turnover of Rs. 4079.98 crores for FY 2013-14, but has resulted in a loss of Rs. 5.31 crore.

However, the good news is that most of the old projects have been closed and major hits have been taken and therefore, we can expect positive EBIDTA from the Project business for the year 2014-15. Also we have had a good growth in sales turnover during the months of April and May'2014 and the margins are better in both lighting and consumer durables segments. Except for the impact of the El-Nino, which can play a spoilsport for the monsoons and may thereby adversely affect the crops, all other signs are positive.

With the stable government at the center under the strong leadership of Hon'ble Prime Minister Mr. Narendra Modi, one can expect a big positive impact in the infrastructure area, which will give a stimulus to our project business, and the inflation coming under control. Further, with a good support to the agricultural sector, one can expect good growth in lighting and consumer durables especially in the rural markets.

Let us hope the year 2014-15 will be the best for the Company, both in terms of sales and profits.
