DIRECTORS' REPORT

Your Directors have pleasure in presenting their 14th Annual Report along with the Audited Accounts of the Company for the year ended 31st March 2001:

FINANCIAL RESULTS :

	Rs. Lakhs	
	31.03.2001	31.03.2000
Total Income	3780.32	3074.99
Profit Before Tax	152.11	120.37
Profit After Tax	142.69	108.20

OPERATIONS :

Your Company has continued its aggressive growth in sales. Sales have increased by 23.9% over the previous year. While domestic turnover has increased by 21%, the export sales have shown an increase of 33.6%. The Profit After Tax has increased by 31.88%. The Company intends to maintain its aggressive growth in the years to come.

FORMULATIONS :

As a part of the expansion of the product range, your Company has introduced Cardiac Specialties products. To market these products, a new Division named 'SERVETUS' has started functioning during the year. The Company has added new products to its portfolio to enhance its presence in the market and market share. In the Ethical field also, the Company has added a number of new products to the portfolio to enhance its market presence and share. Sales of the Ethical formulations accounted for 30% of the total turnover. Distribution arrangements all over the country have been restructured with the appointments of New Stockists at many places particularly in the North.

The Generic Division has been growing aggressively. During the year under review, the sales turnover was Rs. 7.2 crores which is 19.5% of the total turnover, and this performance reflects an increase by 48% over the previous year. The product range in this segment has also been enlarged and new institutional buyers have been added.

BULK DRUGS :

'Bulk Drugs' continues to be one of the thrust areas of your Company. The Company has added a new bulk drug 'Zolpidic Acid'

to its portfolio and, for the first time, the said drug was exported to Eastern Europe. The production and sales of bulk drugs during the year 31.3.2001 have increased yielding a turnover of Rs.3.72 crores. However, the Company is facing severe competition by the continued heavy dumping by China. Effective steps are being taken to counter this competition.

RESEARCH AND DEVELOPMENT :

Appreciating its strategic importance, your Company's R&D efforts in developing new molecules are continuing. The R & D team of your Company has been working hard and has been successful in generating new products for the market. The team is engaged in as many as 12 projects which are at different stages of research and these have high potential export value. To give further thrust, your Company has identified exclusive areas of developments on R&D and is collaborating with other institutions in India and abroad.

PARENTERALS :

There is a quantitative jump in the production and sales of parenterals. During the year under review, the parenterals unit has given a production of Rs.8.63 crores both for domestic and export market. In the small volume sector, the unit has achieved a near full capacity utilization. Due to the improvement in the market realization of large volume products, the utilization in this sector has also increased substantially.

EXPORTS :

As a consequence of the continued aggressive marketing efforts, the Company has made substantial progress in the export sector. The export turnover increased to Rs. 9.09 crores from Rs. 6.8 crores of last year. The Company has added both bulk drugs as well as parenteral products to its exports portfolio. New markets such as Yemen, Russia, Hungary and Zimbabwe have been added.

PROSPECTS :

Despite the general economic recession in the country, the pharma industry compared to other industries has been doing well. With its specific strategic plans, focused R & D efforts, result oriented market thrust and committed and dedicated work force, the Board is confident that your Company will continue to grow from year to year.

DIVIDEND :

In view of the satisfactory results during the year ended 31.3.2001, your Board of Directors have recommended a dividend of 10% on the Equity Share Capital of the Company, as against 7.5% in the previous year.

Bal Pharma Limited
