3. MANAGEMENT DISCUSSION AND ANALYSIS:

Industry overview and Outlook

GLOBAL PHARMACEUTICAL INDUSTRY SCENARIO:

Pharmaceutical Industry plays an important role in the economic development of the world as it caters for the health and well being

of the society. The Industry includes branded drug manufacture, generic drugs manufacture, firms developing bio-pharmaceutical products and firms undertaking contract research.

Global Pharmaceutical sales in 2007 was at US \$ 695 billion which is expected to grow by 5 to 6 % to reach a level of US \$735 billion in 2008. The growth trend is expected to be driven by the declining cost of drug treatment in major therapy areas, in addition to paradigm shift in growth from developed countries to emerging markets such as China, Brazil, Mexico, South Korea, India, Turkey and Russia. These emerging markets are expected to grow by 12 to 13 % to reach a combined market size of US \$ 85 – 90 billion driven by greater access to generic and innovative new medicines.

EMERGING TRENDS:

Developing countries are confronting with the phenomenon of ageing of population resulting in increasing pressure on countries national health care system. While chronic diseases particularly cardio vascular diseases are the main cause of death in developed countries, infectious diseases remain more common cause in developing countries. In addition, life style related diseases like diabetes are becoming common among the fast developing countries like China and India.

Large pharmaceutical firm's block buster drugs will be going off patent in coming four years and production of generic in such products will put considerable pressure on the profit margin of these Companies and are opening up opportunities for Companies developing market.

INDIAN PHARMACEUTICAL INDUSTRY – SURGEING GLOBALLY:

Indian pharmaceutical industry has been witnessing tremendous progress due to increased integration with global trade which began with the signing of GATT in 2005.

The annual turnover of the Indian pharmaceutical industry is over US \$ 11 billion. Globally it ranks 4th in terms of volume with share of 8% of the world pharmaceutical market. In terms of value it ranks 14th. It is one of the high performing knowledge based segment of the manufacturing sector. Key therapeutic segments of the industry include anti infective, gastro intestinal and cardio vascular. Consumer spending on health care went up from 4% of GDP in 1995 to 7% in 2007 and is expected to rise to 13% of GDP by 2015.

The Industry meets around 95% of the Country's domestic demand for medicine. In addition, it is also engaged in contract manufacturing, contract research, clinical trials, contract R & D and direct exports to developed and developing market. There has also been a tremendous increase in the R & D expenditure as well as the capital expenditure mainly towards USFDA approval for plants. Indian Companies have been at the forefront both in terms of filing of drug master files and abbreviated new drug applications.

Exports from Pharmaceutical Industry account more than 4% of the total India's exports and 50% of the Industry total production and it has grown at a CAGR of 14% in the last decade. Major exports market includes highly regulated markets such as USA, UK, Germany and Canada.

4. BUSINESS OPERATIONS:

Your Company achieved an overall turnover of Rs 90.93 crores during the year under review, as against Rs. 76.22 crores during the previous year, thus registering a growth of 19.3%. This increase in business resulted in improvement in the net profit after tax of the Company by 41.58 % from Rs. 2.02 crores in the previous year to Rs. 2.86 crores in the year under review. Your management intends to take full advantage of this momentum of growth by continuing the aggressive thrust on the Pharmaceutical Industry.

Your Company's branded formulations business made a turnover of Rs. 31 crores successfully overcoming the acute price competition. The division focussed on marketing Cardiac and Diabetic products by introducing 6 more new products and strengthening the sales manpower by another 25%. The performance of the division is being escalated to further heights by increasing our market share in Northern India.

The Ayurvedic division registered a growth of 38.36% by increasing its turnover to Rs. 2.26 crores from Rs. 1.37 crores in the previous year. Additional new products are being introduced in the current year while our well known brands are being registered in U.A.E market.

The Institution business continued a good performance with a turnover of Rs. 7.55 crores against Rs. 4.34 crores in the year 2006-07.

Your Company revived its generic business by increasing its turnover from Rs. 0.97 crores of the previous year to Rs. 3.31 crores in the year despite stiff competition. The Company is working with new establishments at various regions to have a complete distribution network.

The export formulation division registered a significant growth of 23.54% by increasing its turnover from Rs. 15.75 crores in the previous year to Rs. 22.19 crores in the year under review. Your Company is in the process of registering their formulations in various Countries by filing drug master files.

The performance of API business both domestic and exports have been encouraging with the growth of 22.38% as the turnover of the division reached Rs. 22.25 crores against Rs. 17.27 crores in the previous year. The acquisition of Basav Chem Limited as its subsidiary during the year has contributed to the increase in API production.

As reported in the last Directors Report the Company received the coveted accreditation from the health authorities of Japan. On the basis of this accreditation, your Company already started supplying active pharmaceutical ingredients, like Ebastine developed and produced at its facilities, to the Japanese market during the year.

Early this year, TGA, an Australian regulatory body gave its approval to Bal Pharma Limited as being GMP compliant. With this approval, the Company is now in a position to supply the antidiabetic drug Gliclazide, which is in good demand in Australia and New Zealand.

The total exports of your Company increased from Rs. 29.24 crores from the previous year to Rs. 33.72 crores in the year showing a significant growth of 15.30%.

Uttarakand Formulation Plant:

The new Formulation Plant with the state of art designed facility for regulated market is complete in the Excise Free Zone of Uttarakand. The trial runs are going on and commercial production is expected shortly.

Your Company has also acquired 10 acres of land in SEZ Pharma Zone in Hassan, Karnataka to increase its bulk drug manufacturing capacity. The project is expected to complete by the year 2010.

5. RESEARCH & DEVELOPMENT:

The R&D division of Bal Pharma Limited, in keeping with its genre of activities, has been successful in developing processes for a number of new pharmaceutical products. Several of these products have gone into commercial production at the Company's manufacturing facilities and are being marketed internationally.

The pharmaceutical products that have been developed in the R&D division are backed by extensive documentation of a standard to meet stringent requirements of international regulatory authorities. The quality characteristics of the product offered are well defined and are supported by sophisticated analytical methodologies developed for the specific purpose.

The concepts that guide the development process of a drug in the R&D are based on precepts of sound technical competence and high degree of quality assurance. These characteristics have met with the approval of medicine agencies in Europe and Japan with the result that the prospects of introducing novel and therapeutically more effective drugs from the Company have brightened considerably.

The R&D division is now taking up challenging projects which involve development of processes for drugs possessing chiral characteristics. This particular field of pharmaceutical chemistry holds phenomenal growth prospects.

6. AUDIT COMMITTEE:

The Audit Committee, a sub-committee of the Board of Directors consists of Mr. David Rasquinha, nominee Director of EXIM Bank, Dr. G S R Subba Rao, Independent Director and Mr. Shrenik Siroya, Non-executive Director.
