Dear Shareholder

July 30, 2001

Sub: Dematerialisation of shares

We are glad to inform you that the company has voluntarily opted for the induction of the company's shares into the depository system by entering into a separate tripartite agreements with National Securities Depository Ltd (NSDL), Central Depository Services (India) Ltd (CDSL) and Karvy Consultants Ltd to facilitate holding and trading of the company's shares in dematerialised form.

Both the depositories has become functional for activation of the dematerialisation process. The ISIN No. allotted to the company's shares is INE 921DO1013.

The depository system envisages the elimination of several problems involved in the scrip-based system such as bad deliveries, fraudulent transfers, fake certificates, thefts in postal transits, delay in transfers, cost towards stamp duty etc. In view of these factors, investor protection/investor services has assumed a new dimension. We at BAMBINO have been endeavouring to keep pace with the changes in the depository environment and have accordingly implemented the depository system to facilitate electronic transactions of the company's shares.

All the shareholders/investors are therefore requested to avail this facility which would enable the members to hold and trade the shares of the company in dematerialised form. To enable this, you will have to open an account with the Depository participant (DP) who are agents of NSDL and CDSL and lodge your share certificates through DP for dematerialisation.

It is reiterated once again that depository is a much more safe and user friendly mode of holding and transacting your securities. We would therefore request you to seriously evaluate this option.

We are always available to you for any assistance/clarification.

Thanking you,

Yours faithfully,
for **BAMBINO AGRO INDUSTRIES LTD.**

BAMBINO AGRO INDUSTRIES LIMITED**DIRECTORS' REPORT****TO
THE MEMBERS**

Your Directors have Pleasure in presenting their 18th Annual Report together with Audited Accounts for the period ended 31st March, 2001. The accounts are drawn for a period of six months from 1st October, 2000 to 31st March, 2001 and are not strictly comparable with that of the previous year.

FINANCIAL PERFORMANCE

(Rupees in Lakhs)

	Period ended 31.03.2001 (6 Months)	Year Ended 30.09.2000 (12 Months)
Sales and other income	3864.90	8527.05
Profit before Interest, Depreciation and Tax	571.73	1161.29
Less: Interest	389.99	870.00
Profit after Interest but before Depreciation & Tax	181.74	291.29
Less: Depreciation	139.52	264.80
Profit before tax	42.22	26.49
Less: Provision for Tax	19.68	--
Profit after tax	22.54	26.49

The period under consideration continued to be difficult due to slower market growth and increased competitive activity in the organised sector leading to severe pressure on margins. Input prices and overhead costs were also on the rise while the price levels of the company's products remain generally flat. Flour mill operations continued to be curtailed due to unremunerative selling prices for wheat products. The company responded to this adverse trade conditions by improvement in the overall operational efficiencies, implementing cost reduction programmes, focus on market penetration into the

institutional segment and registering growth in exports business.

During the six months period under review, the company achieved a turnover of Rs.38.35 crores resulting a pre tax profit of 42.22 lacs as against profit of Rs.26.49 lacs during the previous twelve months accounting year. This creditable performance was achieved against the back drop of difficult market scenario. The current year has commenced as per plan and your Directors are hopeful of continued good results. However the current level of inflation and economic indicators pointing towards the sluggish market are matters of serious concern. Imposition of Entry Tax on Diesel by the Government of Andhra Pradesh will further impact the bottom line. With appropriate strategies in place, your company is looking forward to future prospects with cautious optimism. This optimism is due to the fact that company products carry strong customer preference which has enabled the company to maintain overall leadership position. The company is also looking for new opportunities for accelerating growth by leveraging the company's inherent brand strength.

DIVIDEND:

In view of insufficiency of profits for the period ended 31st March, 2001, no dividend has been recommended by your Directors.

DIRECTORS RESPONSIBILITY STATEMENT:

Pursuant to Section 217(2AA) of the Companies (Amendment) Act, 2000, the Directors confirm that:

1. in preparation of the Accounts under review, the applicable accounting standards have been followed;
2. appropriate accounting policies have been applied consistently. Judgement and estimates which are reasonable and prudent have been made so as to give a true and fair view of the state of affairs of the Company as at the end of 31st March, 2001 and of the profit of the Company for the period under review.
