

# Annual Report 2017-2018

## BASF India Limited

We create chemistry  
for a sustainable future

**“To ensure seamless delivery of services and smooth transition for customers, we were ready for GST implementation from day one.”**

## Message from the Chairman & Managing Director

Dear Shareholders,

World growth strengthened in 2017 to 3.8%, with a rebound in global trade led by advanced economies. India too witnessed growth as government initiatives to revive the economy increased Gross Domestic Product (GDP) in the last two quarters. While most sectors gradually recovered from GST and demonetization, climbing crude oil prices and falling value of Rupee are concern areas.

In my last year's message, I highlighted how your Company is moving towards profitable and sustainable growth. You would be pleased to know that we expanded our business with sales increasing by 10% on a comparable basis (adjusted for GST and Excise) to Rs. 55,834 million. Despite an erratic monsoon, our agricultural business saw strong double-digit growth driven by volume from new product launches. The Chemicals business too, saw strong double-digit growth mainly driven by price and supported by volume. Considering the improved operational and financial performance, your Company has recommended a dividend payment of Rs. 3/- per equity share of Rs. 10/- each (i.e. 30%) for the financial year 2017-18.

To ensure seamless delivery of services and smooth transition for customers, we were ready for GST implementation from day one. New products for rice from the Crop Protection business were successfully established. Our focus on farmer safety under the 'Suraksha Hamesha' initiative continued with the introduction of an improved version of personal protection equipment 'Sanrakshan kits'. The Fuel and Lubricants business team launched Glysantin®, a high-performance engine coolant on Amazon India's website to enhance digital outreach.

Operational efficiency and resource optimization led to increased volumes across various manufacturing sites. Production is being ramped up for Cellasto®, used in the suspension system of automobiles, at our Dahej plant. We prioritized various energy conservation measures and introduced solar power at the Mangalore facility, reducing carbon emissions by ~13,400 tons per annum. Additionally, this year, we brought R&D activities in Mumbai under one roof.

We completed the divestiture of the Leather Chemicals business to Stahl Group. Such strategic portfolio management helped us to move further on the path to profitable growth.

Our CSR initiatives continued to focus on Water, Sanitation and Hygiene (WASH) and education. We worked closely with the local communities around our sites in Dahej, Mangalore and Ankleshwar, conducting behavioural change programs, providing piped water and installing a digital classroom.

Recognitions from customers and stakeholders continued. The EHS team won the Indian Chemical Council Certificate of Merit for Best Compliant Company for Distribution Code under Responsible Care. The Coatings team won multiple awards from key customers including Best Supplier Award from Honda Motorcycles and Scooters, while our Performance Materials team won the Best Business Partner award from Haier India. Your Company was also named as the most compliant company amongst S&P's BSE 500 companies in CimplifyFive's 3<sup>rd</sup> Secretarial Audit report.

Your Company believes that committed and qualified teams are the key to contribute towards a sustainable future. To this effect, we introduced several initiatives through the Diversity & Inclusion team constituted in 2016. 'Working Mother and AVTAR' recognized your Company as one of the '100 Best Companies for Women in India' for the second time in a row. We boosted employee morale through initiatives like Fit@BASF, Fun@BASF and The Knowledge Series.

As we look into the future, we would continue our focus on maintaining profitable and sustainable growth. We see that customers and stakeholders are aligning with companies making advancements towards reducing impact on environment and climate change. This trend will make sustainable chemistry a reality, placing your Company at a strategic advantage. Our sharp focus on customer centricity and digitization will help us continue leading the industry. On behalf of the Board of Directors, I thank you all for your valuable trust and continued support.

With best wishes,

**Raman Ramachandran, Ph.D.**

Tax	145.3	16.6
Profit /(Loss) after tax	2,465.0	(141.3)
Dividend	129.9	43.3
Corporate Tax on Dividend	26.7	8.8

Note: As per Indian Accounting Standard 18 on Revenue and Schedule III of the Companies Act, 2013, Revenue from Operations for the period July 1, 2017 to March 31, 2018 does not include Goods and Services Tax (GST), however Revenue from Operations till the period ended June 30, 2017 and other comparative periods includes Excise Duty.

### Performance

Revenue from operations (net of GST/Excise) at Rs. 55,834 million, represents an increase of 10% over the previous year. Your Company reported a profit after tax (after exceptional items) of Rs. 2,465 million for the year ended 31<sup>st</sup> March, 2018 as compared to loss after tax (after exceptional items) of Rs. 141.3 million in the previous year due to good performance in all business segments.

The Agricultural Solutions business of your Company registered good growth in sales and profits during the year as compared to the previous year mainly due to increased sales realised from successful launch of new products as well as diversification into new crops like rice & corn.

The Chemicals segment of your Company comprising of the Intermediates, Petrochemicals & Monomers businesses registered substantial increase in sales & profits during the year mainly due to better realisation coupled with strong domestic demand driven by increase in prices of Monomers and Amine related products.

The Functional Materials & Solutions segment of your Company which comprises of the Performance Materials, Coatings, Construction Chemicals and Process Catalysts Technologies business registered modest growth in sales during the year under review as compared to the previous year. However, it registered good growth in profits on account of better margins in performance materials business, driven by good performance in transportation segment.

The Performance Products segment, which includes Performance Chemicals, Dispersions & Pigments, Care Chemicals, Nutrition & Health products and Paper Chemicals businesses registered higher sales & margins during the year under review as compared to the previous year owing to increase in volumes from Dahej Plant & improved profitability of the Dispersions business.

Export sales stood at Rs. 6,847.5 million during the year under review.

#### **Acquisition of Solvay's global polyamide business**

In September 2017, BASF SE, Germany signed an agreement to acquire Solvay's integrated polyamide business globally. The acquisition would complement BASF's engineering plastics portfolio and expand BASF's position as a solution provider for the transportation, construction, industrial applications and consumer industries.

#### **Acquisition of significant parts of Bayer's global seeds & non-selective herbicide businesses and additional crop protection businesses & assets**

In October 2017, BASF SE, Germany, signed an agreement to acquire significant parts of Bayer's seed and non-selective herbicide businesses. Further, in April 2018, BASF SE signed an agreement to acquire, inter-alia, Bayer's entire vegetable seeds business, operating under the global trademark Nunhems®, Research & Development platform for hybrid wheat and complete state-of-the-art digital farming platform xarvio™, which it has offered to divest in the context of its planned acquisition of Monsanto.

Both the transactions complement BASF's crop protection business and biotechnology activities, adding new capabilities and opportunities for profitable growth and innovation.

#### **BASF and Solenis join forces by combining paper wet-end and water chemicals businesses globally**

In May 2018, BASF SE, Germany signed, an agreement with Solenis, USA to globally combine BASF's Paper wet-end & water chemicals business with Solenis. Consequently, your Company's paper wet-end and water chemicals business would be transferred to Solenis in India, subject to requisite approvals. Presently, the paper wet-end and water chemicals business of the Company forms part of the Performance Products segment of the Company.

#### **Expansion of manufacturing capacity of Cellasto® and cessation of Thermoplastic Polyurethane (TPU) manufacturing at Dahej Plant, Gujarat**

Your Company is in the process of expanding its manufacturing capacity for Cellasto®, which is used in the suspension system of automobiles to reduce noise, vibration and harshness. The expansion at the Dahej Plant will serve India's growing automotive market for both two wheeler and four wheeler vehicles.

Further, in line with the changing customer needs in the South Asian region, your Company has discontinued TPU manufacturing at the Dahej Plant. However, your Company will continue supplying South Asian markets from its global network, which would ensure seamless supply to customers.

#### **Update on divestment of Leather Chemicals business to Stahl**

Pursuant to the global sale of BASF's Leather Chemicals business to Stahl Group, the Leather Chemicals business of your Company has been transferred to Stahl India Private Limited with effect from 30<sup>th</sup> September, 2017. Your Company has received an aggregate sum of Rs. 1,976.3 million (including GST) from Stahl India Private Limited as the consideration for the sale of the business.

#### **Dividend**

In view of the improvement in the operational and financial performance of the Company, your Directors have recommended a dividend of Rs. 3/- per equity share of Rs. 10/- each (i.e. 30%) for the financial year ended 31<sup>st</sup> March, 2018, subject to the approval of the members at the 74<sup>th</sup> Annual General Meeting of the Company to be held on 10<sup>th</sup> August, 2018. The dividend will absorb Rs. 129.9 million and the dividend distribution tax to be borne by the Company would amount to Rs. 26.7 million.

Further, as per Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the top 500 listed entities based on market capitalization are required to formulate a Dividend Distribution policy. Accordingly, your Company has formulated its Dividend Distribution Policy, which is available on the Company's website at <http://on.basf.com/dividend-policy>

### **Change of Registered Office of the Company**
