DIRECTORS' REPORT

Dear Members,

The Directors of the Company present their 26th Annual Report and Audited Accounts for the year ended 31st March, 2009.

FINANCIAL RESULTS

The financial results for the year ended 31st March, 2009 and the corresponding figures for the last year are as under:

	(Rupees in Lacs)	
	2008 - 2009	2007 - 2008
Profit before Interest, Depreciation and Tax	1354.48	1480.55
Less: Interest & Finance Charges	445.46	450.04
Depreciation	798.52	799.12
Profit after Interest & Depreciation	110.50	231.39
Less: Provision for Taxation (Net of MAT Credit Entitlement)	68.80	49.50
Excess Provision for Taxation	(-)1.52	(-)4.47
Fringe Benefit Tax	4.06	4.18
Provision for Deferred Taxation	(-)104.13	33.40
Profit after tax	143.29	148.78
Add/Less:- Balance Brought Forward from Last Account	214.44	128.88
Less: Proposed Dividend & Tax thereon	52.68	63.22
Credit balance carried to Balance Sheet	305.05	214.44

DIVIDEND

Your Directors are pleased to recommend a payment of Dividend of Re. 0.50 (Paise Fifty) per Equity Share for the year ended 31st March, 2009.

OPERATIONS**Tea Division:**

The overall performance of the Tea Industry during the Calendar Year 2008 has been satisfactory. The All India Production has been higher by about 36 million Kgs, mainly from South India. However, due to less carryover of stock, higher exports coupled with improved domestic demand, the price realisation improved substantially.

During the year under review, the Company achieved production of 20.32 lacs Kgs of Black Tea as compared to 20.60 lacs Kgs in the previous year. The Company's policy of uprooting old areas for Replantation and inclement weather conditions has led to lower production. However due to better market conditions and thrust on producing quality tea, the sale realisation has improved by about 30%.

In the current season, the tea prices are expected to rule firm due to negligible carryover and drop in production during early part of the season. Improved export enquiries due to lower crop in Kenya and Sri Lanka may also have further positive impact on the price realisation. Since your Company is focusing mainly on making quality tea, the outlook appears to be good.

TEXTILE DIVISION

The predominantly cotton-based Indian Textile Industry had been performing fairly well during the past few years, mainly due to the adequate availability of good quality home grown cotton but since this year, the Indian Textile Industry has been struggling to maintain margins. Apart from various other factors like escalation in bank interest rate, slump in the local and export markets, the abnormal cotton price coupled with increase in Minimum Support Price (MSP) has totally paralysed the performance of the textile industry and even the top ticket mills have incurred losses. The Division, however, managed to earn cash profits due to its relentless thrust on modernisation and reduction of costs. Further the Division has reset its product-mix in view of the increased demand for value added fabrics.

MODERNISATION AND PROSPECTS

The Directors are pleased to announce the successful completion and implementation of the Expansion cum Modernisation Scheme of the Textile Division. Being committed to customer's ecstasy, the Division has been modernised with the latest state-of-the-art machinery from world renowned manufactures like Trutzschler, Rieter, Toyota, etc. Moreover, two old ring frames having total capacity of 2016 Spindles have been replaced with latest compact Spindles to produce quality value added products. The Division is suitably poised to meet the challenges ahead.

In Tea Division, the Company has invested Rs. 78 Lacs during the year on modernisation of factory for further improving the quality.

CORPORATE GOVERNANCE

In compliance with Clause 49 of the Listing Agreement, the Management Discussion & Analysis Report and Report on Corporate Governance are attached herewith marked as Annexures – "A" and "B" respectively.

DIRECTORS' REPORT (Contd.)**DIRECTORS' RESPONSIBILITY STATEMENT**

The Directors hereby confirm:

- (i) That the Company had followed the applicable accounting standards in the preparation of the annual accounts for the year ended 31st March, 2009;
- (ii) That the Directors have made judgments and estimates that are reasonable and prudent and have selected accounting policies and applied them consistently to give true and fair view of the state of affairs of the Company as at 31st March, 2009 and its profit for the year ended on that date;
- (iii) That the Company has a proper and adequate system of internal control to ensure that all assets are safeguarded against losses and the system is capable of detecting fraud and other irregularities;
- (iv) That the annual accounts placed before you have been prepared on a going concern basis.

FIXED DEPOSITS

Despite several reminders, a sum of Rs. 6,500/- remained unclaimed for a period of seven years from the date of its becoming due for payment and the same was deposited during the year in Investor Education and Protection Fund under Section 205C of the Companies Act, 1956. As on 31st March, 2009, no amount is payable towards the fixed deposits accepted from public and matured for repayment.

DIRECTORS

The Directors deeply regret to report the sad demise of Shri. Supriya Gupta, Director of the Company, who passed away on 7th February 2009. He was associated with the Company as Director since 30th January 2001. The Directors place on record sincere appreciation for the valuable services rendered by Shri. Supriya Gupta, to the Company and express their condolences to the bereaved family.

Mr. Golam Momen, Director of the Company retire by rotation at the ensuing Annual General Meeting and being eligible, offers himself for re-appointment.

AUDITORS

Messrs Jain & Co., Chartered Accountants, Auditors of the Company retire at the conclusion of the 26th Annual General Meeting and being eligible, expressed their willingness to continue, if so appointed.

PERSONNEL

The Company operates in labour intensive business and the relations with the personnel generally remained cordial throughout the year.

The Board expresses its appreciation for the contribution of the employees at all levels. During the year under review, Information required to be given pursuant to the provisions of Section 217(2A) of the Companies Act, 1956 read with Companies (Particulars of Employees) Rules, 1975 is annexed hereto marked Annexure- "C" and forms part of this Report.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

A statement showing additional information on conservation of energy, technology absorption and foreign exchange earnings and outgo, as required pursuant to Section 217(1)(e) of the Companies Act, 1956 read with the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988 is attached herewith marked as Annexure – "D".

ACKNOWLEDGEMENT

The Directors appreciate the cooperation and timely assistance extended by Banks and all other associates and look forward to continued fruitful association with all business partners of the Company.

For and on behalf of the Board

Kolkata
Dated, the 11th day of May, 2009

ADARSH KANORIA
Chairman

Management Discussion & Analysis Report

ANNEXURE – “A”

(Forming part of the Directors Report for the financial year ended 31st March, 2009)**Textile Division***Industry Structure and Developments:*

Textile Sector plays a very vital and dominant role in the Country's economy, however, the macro conditions in the immediate previous years has not been kind to it. During the year 2007-2008, the industry reported lower realisation on account of sudden appreciation of rupee against USD. To tide over the crisis emanating from the steep upsurge in Rupee value, the Government announced various measures viz. reduction in interest rate on pre-shipment and post shipment credit, revision in draw back and DEPB, reduction of basic customs duty on certain items related to textile sector. However, the worst fears of the industry came true in 2008-2009, such as the hike in MSP of raw cotton, slow disbursements of subsidies under TUFS, high borrowing costs, worsening of international market demand, unanticipated extreme currency movements, etc.

Opportunities and Threats :

The Industry is facing acute pressure from the global turmoil. The Government had announced some proposals for the sector in the interim budget for 2009-2010 and the interim trade policy, but the same are considered inadequate. The revival of the industry is largely dependant upon stimulus package from the Government and also improvement in the global scenario.

However, there is a continuing pressure on exports due to fierce competition from other countries like China, Bangladesh and Vietnam. Moreover, any restriction of market access for exports of Indian textiles and clothing products, under the WTO's Agreement on Textiles and Clothing, would have serious implications for the industry.

Product-wise Performance :

The performance of the Division has been mixed. The Fabrics section has performed better than the yarn section. Gray Cloth Sales was higher as compared to yarn sales. Overall, the Textile Division suffered from erratic power cuts, drastic increase in cotton prices, high cost of power & freight and low demand. The gist of performance of the textile products of the Company, during the financial year 2008-2009 is as under :

	Cloth			Yarn		
	Production (Lac Mtrs.)	Sales (Lac Mtrs.)	Average Realisation (Rs. Per Mtr.)	Production (Lac Kgs.)	Sales (Lac Kgs.)	Average Realisation (Rs. Per Kg.)
2008-2009	112.91	117.03	37.07	36.52	38.01	124.81
2007-2008	99.58	105.19	37.04	50.20	50.14	114.71
Change	(+) 13.39%	(+) 11.26%	(+) 0.08%	(-) 27.25%	(-) 24.19%	(+) 8.80%

Outlook :

The profitability of the textile division will depend upon availability of domestic cotton of good quality at remunerative price and also the Yarn prices remaining remunerative. It is also expected that the power supply from State grid may improve during the current year which in turn will lead to better working results for the division. The completion and implementation of the Expansion cum Modernisation Plan is also expected to result in better quality products at lower costs. As far as force field factors are concerned, international markets like USA and Europe are expected to improve and in India, budgetary allocations from Central Government towards TUFS are expected to be enhanced.

Risk and Concerns :

The performance of the industry is largely dependent on global market situation and Central Government policy. Other areas of concern are rupee fluctuations, slow utilization of accumulated CENVAT credits and pendency in disbursement of TUFS subsidies.

Discussion on the Financial Performance with respect to the Operational Performance :

During the year, the financial performance of the Textile Division was severely affected by the poor demand in International Markets like USA and Europe, which led to decline in both export and domestic yarn sales. During the year, the Cotton prices have shown an increasing trend due to higher exports coupled with increase in MSP, which also affected the financial health of the division. Further, frequent dislocation of power supply had its adverse impact on the performance of the textile division. Hence profitability from the textile division has been lower compared to last year. During the year, the division managed a cash profit of Rs. 76 lacs as against Rs. 571 lacs in the previous year.

Tea Division*Industry Structure and Developments:*

Tea is indigenous to India and is an area where the country can take a lot of pride. This is mainly because of its pre-eminence as a foreign exchange earner and its contributions to the country's GNP. India is also the largest tea consuming country in the world and the domestic consumption is gradually increasing due to increasing population, increasing urbanization, increase in income and standard of living.

Opportunities and Threats :

The various initiatives taken by the Government/Tea Board, including promotional support to Exporters for participating in Exhibitions, setting up of Special Purpose Tea Fund, undertaking brand building exercise, providing incentives in the form of subsidies etc, are likely to benefit the Industry in long term. Promotional Programs undertaken by Tea Board of India are also likely to benefit the industry in long term.

Management Discussion & Analysis Report (Contd.)

Even though the year under review and the current year so far have been satisfying, there are many imponderables like the unfavourable global demand-supply scenario, competition in export markets and imports from low-cost countries.

Product-wise Performance :

During the year under review, the production of green tea leaves of Ananda Tea Estate was 67.20 lac kgs as compared to previous year of 71.47 lac kgs. This reduction was mainly on account of inclement weather conditions and uprooting of tea areas for replantation. The Company continued to exploit the opportunities of processing outsourced green tea leaves. During the year, tea prices remained strong on the back of good internal demand for quality teas. The average realisation of the tea sold by the Company was about 30% higher as compared to the previous year. The gist of performance of the division during the financial year 2008-2009 is as under :

Black Tea			
	Production (Lac Kgs)	Sales (Lac Kgs)	Average Realisation (Rs. Per Kg.)
2008-2009	20.32	20.39	121.47
2007-2008	20.60	20.25	93.53
Change (%)	(-) 1.36%	(+) 0.69%	(+) 29.87%

Outlook :

Production of tea in India is expected to be lower in the current year and therefore tea prices are expected to remain strong. The Division is expected to maintain both quality and quantity, resulting in satisfactory profitability.

Risks & Concerns :

Besides climatic conditions, price blends, the strategy of bought leaf factories, import of tea for re-export, poor irrigation facilities and Government policies also affect the fate of the Tea Industry.

Discussion on financial performance with respect to Operational Performance :

The Company's steady progress in making quality tea has resulted into achieving higher profitability. Considering the overall scenario of the Industry, the performance of the Division appears to be satisfactory.

Internal Control Systems and their Adequacy :

The working systems of the Company have been designed in such ways that have in-built internal checks at different levels. In addition to the Management Audit, Internal Auditors of both divisions furnish their reports at regular intervals and their reports are discussed at the Meetings of the Audit Committee and necessary steps are taken thereon. In the opinion of the management, the existing internal checks & controls are adequate.

Information regarding Human Resources/Industrial Relations :

The relationships were cordial throughout the year at both the divisions. The total number of manpower employed by the Textile & Tea Division as on 31st March, 2009 were 788 & 1218 respectively.

Cautionary Statement :

The forward-looking statements and the views expressed in the Management Discussion and Analysis Report are based on certain assumptions. The actual results may differ materially from those stated therein. The Company would not be held liable, in any manner, if the future turns out to be quite different, even materially.

For and on behalf of the Board
