DIVIDENDS

The Directors regret their inability to declare any dividend in the absence of profits during the year.

OPERATIONS

For the fourth successive year the economy and market conditions were dominated by demand gap, low price realisations, negative growth in the capital-goods industry, low levels of investment by government and industry, delays in project execution and the effective bankruptcy of several public utilities. The Company had to maintain its operations against this backdrop.

Sales and other income declined by Rs. 3157.75 lakhs (from Rs. 17265.45 lakhs to Rs. 14107.70 lakhs) over the previous year. The position of over-supply and intense competition took its toll on margins and volumes. Despite gaining substantial reduction in costs of material, personnel and other overheads, these two factors led to the loss situation.

Of this loss of Rs. 637.37 lakhs, Rs. 277.76 lakhs (previous year Rs. 45.38 lakhs) is related to a critical value judgement evaluation of receivables remaining unrealised out of sales of past years.

EXPANSION OF TRANSFORMER MANUFACTURING FACILITIES

The Transformer Industry, in which your Company is a significant player has in the recent past been plagued by negative growth, low margins and poor liquidity. Nonetheless, there are grounds for optimism about the future prospects of the industry and your Company, with its strong brand equity, is well placed to participate in the recovery. It is therefore an appropriate time to initiate — the first phase of the expansion plan which will expand our manufacturing range into transformers of higher ratings.

The Directors have thought it fit and necessary to invest in so upgrading the manufacturing facilities to augment the Company's market position and maximise returns due to operating leverage. The estimated cost of the expansion would be approximately Rs. 400 lakhs, of which banks have approved Term Loans of Rs. 300 lakhs net of margin money.

RESTRUCTURING MEASURES

The Company has initiated a number of steps and evolved plans to improve operational efficiency across the organisation. These include:

1. Improvement in Productivity of manufacturing and field operations.
2. Reduction of cost in every possible area.
3. Working capital management.
4. Voluntary Retirement Scheme.
5. Territorial repositioning in certain geographical markets.
6. Upgrading the manufacturing range of transformers.

Several of the measures have been already implemented, and are expected to yield substantial cost and cash flow advantages in the coming years.

FINANCE

Though the fund situation throughout the year remained tight, the Company ensured that there were no defaults whatsoever in meeting any obligations legal or otherwise, maintained a smooth flow of operations, and still reduced interest cost by Rs. 35 lakhs over the previous year.

As on 31st March 2002, the Company had Fixed Deposits aggregating to Rs. 566.21 lakhs. Out of Fixed Deposits which matured for payment prior to 31st March, 2002, 74 deposits aggregating to Rs. 9.33 lakhs were neither renewed nor claimed till 31st March, 2002. Of these 37 deposits aggregating to Rs. 5.45 lakhs have since been renewed or refunded on receipt of requests from the deposit holders. The balance of 37 deposits aggregating to Rs. 3.88 lakhs have been neither claimed nor renewed till date of this report, inspite of the Company's intimation to the deposit holders. There has been no default or delay in meeting any maturity payment obligations.

CORPORATE GOVERNANCE

Corporate governance is a management philosophy, and your company has, since its incorporation, sought to manage its business and conduct its corporate affairs transparently, ethically, with fairness and in a spirit of corporate citizenship, a detailed report on corporate governance is set out in Annexure A.

DIRECTOR'S RESPONSIBILITY STATEMENT

The Directors confirm:

- (i) that in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanations relating to material departures;
- (ii) that the Directors have selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year, 31st March, 2002 and of the profit or loss of the Company for that period;
- (iii) that the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) that the Directors have prepared the annual accounts on a going concern basis.

HUMAN RESOURCES

The last wage agreement with the Union expired in December 1999. Since negotiations have not commenced as yet, no provision has been made for any revision.

As stated in the last Annual Report, the Fabrication Shop of the Transformer Division at Kalwa has been closed.

The Management has been keeping the Union and its members informed about the state of affairs of the Company and environment, and the need for strict discipline, productivity improvement and cost control. The response from the Union and all employees has been commendable.

DIRECTORS

Mr. Mukul Harkisondass and Mr. N. Balakrishnan retire by rotation at the 55th Annual General Meeting of the Company to be held on 14th August, 2002 but are eligible for re-appointment.

Mr. Sanjiv N. Shah and Mr. Jairaj C. Thacker were appointed as Additional Directors of the Company by the Board of Directors w.e.f. 27th June, 2002. In terms of Section 260 of the Companies Act, 1956 and Article 161 of the Articles of Association both Directors hold office upto the date of the forthcoming Annual General Meeting, but are eligible for reappointment. AUDITORS

M/s. Dalal & Shah and M/s. Rashmi Zaveri & Co. have been joint Auditors of the Company for several years. However,

considering the size of the operations of the Company and since Company also has its branches audited by Branch Auditors for consolidation, the Directors are of the opinion that the accounts of the Company be henceforth audited by a sole Auditor. After careful evaluation the Directors recommend to the members that M/s. Dalal & Shah, Chartered Accountants, who have confirmed their eligibility and willingness to be re-appointed pursuant to Section 224(1) of the Companies Act, 1956 be re-appointed as the Statutory Auditors of the Company for the Financial Year 2002-2003.

The Directors would like to place on record their appreciation for the services rendered by M/s. Rashmi Zaveri & Co.

Members will be requested to appoint the Statutory Auditors and also to authorise the Board and/or its Audit Committee to appoint Branch Auditors and to fix the remuneration of the Auditors and Branch Auditors for the year ending 31st March, 2003. These items of business are covered under items 4 and 7 of the accompanying Notice and Explanatory Statement.

COST AUDITORS

The Central Government has approved the appointment of M/s. P.M. Nanabhoy & Co. as Cost Auditors of the Company in respect of electric motors for the financial year ending 31st March, 2002.

The Board has appointed M/s. P.M. Nanabhoy & Co. as Cost Auditors of the Company in respect of electric motors and other products of the company for the financial year ending 31st March, 2003 and approval of the Central Government is being sought.
