Bharti Cellular Limited (BCL), a subsidiary of Bharti Tele-Ventures Limited (BTVL), has been awarded eight new licenses for providing cellular services in the telecom circles of Maharashtra, Haryana, Madhya Pradesh, Uttar Pradesh (West), Kerala, Gujarat, Mumbai and Tamilnadu.

In order to meet funds requirement of these circles, BCL is negotiating Long Term Loan(s) for the same upto an amount aggregating to INR 20,000 million with various banks/financial institutions and other lenders.

The Board and the shareholders in their respective meetings held on July 10, 2001 had approved a limit of INR 15,000 million for making loans or furnishing guarantees or providing securities on behalf of BCL.

Since these limits are not adequate and keeping in view the proposed borrowing of INR 20,000 million by BCL, it is proposed to increase the said limit of providing loans/guarantees/securities on behalf of BCL to INR 35,000 million.

**Section 372A of the Companies Act, puts a limit that the Board of Directors in the usual course of business can only advance loans or provide guarantee/security upto 60% of the paid up capital and free reserves of the Company or upto 100% of the free reserves of the Company whichever is more. Since these limits are not adequate and keeping in view the proposed borrowing by BTSOL, it is proposed to increase the said limit of providing loans/guarantees/securities on behalf of BTSOL to INR 15,000 million.

**Section 372A of the Companies Act, puts a limit that the Board of Directors in the usual course of business can only advance loans or provide guarantee/security upto 60% of the paid up capital and free reserves of the Company or upto 100% of the free reserves of the Company, whichever is more. These limits can be exceeded only by prior approval of the members of the Company by passing a Special Resolution.**

**The said Resolution is, therefore, proposed for providing adequate authority to the Board to make loans and/or provide guarantees/securities as and when deemed necessary within the overall limit specified in the Resolution.**
