Corporate Governance:

A separate report on Corporate Governance with Auditor's certificate on its compliance is attached as Annexure to this report.

Management Discussion & Analysis:**A. Industry, Structure, Development and Outlook**

1. India is the Third largest producer of tobacco in the world after China and USA. Despite being the third largest producer, India is only the eight largest exporter of tobacco and tobacco products in the world. Out of the total tobacco produced in India, only one-third is flue-cured tobacco suitable for cigarette manufacturing.
2. Considering that as per capita income increases and there is a change in the demographic profile of the populace, there is still some scope for growth for the Indian tobacco industry.
3. India's merchandise exports grew by 20.8% to touch US\$ 124.6 billion during the year, Exports clocked an impressive 21.6% growth for the first eight months, but lost momentum thereafter due to slow down in US economy and appreciation of India Rupee.

B. OPPORTUNITIES, THREATS, RISKS AND CONCERNS

1. The promoters of the company are in tobacco and other commodities industry for more than four decades and been exposed and experienced in the procurement, process and exporting and marketing the produce. Considering the per capita income in India, the consumption of tobacco and cigarettes would go up considerably. Your promoters want to take advantage of the changing patterns of the tobacco production, increase in per capita income levels in India.
2. Company recognises the need for actively managing its business risks which, when effectively done, carries the potential of producing significant rewards. As a corollary, unidentified or inadequately monitored risks can hamper the business performance.
3. The Company has built up a Risk inventory of all the identified risks cutting across its business lines. Members of senior management have undertaken the ownership of the top risks of the Company and are working on mitigating the same through constant discussion of the top management.

C. INTERNAL CONTROL SYSTEM

1. An effective internal control system supported by an Enterprise Resource Planning platform for all business processes ensures that all transaction controls are continually reviewed and risks of inaccurate financial reporting and fraud, if any, are dealt with immediately and eliminated.
2. The Company has a well established system of internal control in operation which complies with the relevant provisions on 'Internal Control' under the Company's Auditor's Report Order 2003 and as prescribed under revised clause 49 of the Listing Agreement with the Stock Exchanges.
3. The business specific observations and the status of implementation of recommended solutions are regularly reviewed and presented to Audit Committee of the Board.

D. FINANCIAL PERFORMANCE

1. The financial statements are prepared in compliance with the requirements of the Companies Act, 1956 and Generally Accepted Accounting Principles in India. The management accepts the responsibility for integrity and objectivity of the financial statements and the basis for various estimates and the judgements used in preparing the financial statements.
2. During the year ended 31st March, 2007, the Company achieved a turnover of Rs. 3.48 crores against the previous year turnover of 3.09 crores, which includes an export turnover of Rs. 3.26 crores, clocking a growth of 14% in exports. Despite considerable

BKV INDUSTRIES LIMITED

efforts in controlling the administrative expenditure, the Company incurred a Net Loss of Rs. 18.22 lakhs against a previous year's Net Profit of Rs. 15.15 lakhs. This is mainly due to last year's profit on sale of investments of Rs. 32.99 lakhs.

3. As the company has carried minimum operations in farming activities and executed the trading operations during the year, the margins earned are just sufficient to meet the operational costs and hence no major changes in the Net Working Capital and Secured & Unsecured Loans.
4. **CAUTIONARY STATEMENT**
Due to substantial appreciation of Indian Rupee, the margins in Export operations are under strain. As the company is depending on the trading and export operations, the performance during the ensuing year will be under considerable stress.

Delisting of Shares:

Presently the company's Ordinary Equity shares are listed in the stock exchanges of Mumbai (BSE) and four other stock exchanges at New Delhi, Kolkata, Chennai and Hyderabad. The shares of the company are compulsorily traded in dematerialized form. Specific attention of members is drawn to item No. 5 of the Notice of Annual General Meeting and explanatory statement attached thereto whereby the company proposes to de-list its ordinary equity shares from Chennai, New Delhi and Kolkata Stock Exchanges. For the last several years the trading volumes at these stock exchanges were very negligible. The annual listing fees paid to these stock exchanges do not now offer commensurate benefits to the company / to its investors. The Board considered that continued listing on these stock exchanges is not necessary and therefore decided to de-list from these three stock exchanges. The de-listing of equity shares will not adversely effect the investors including the members located in these regions.

Assigned Lands:

Mandal Revenue Officer, Allur Mandal, Allur has issued a notice directing the company to surrender 24 acres of land lying in Survey Nos. 728, 729 and 730 and 4.77 acres of land lying in 731/D of our Farm at Iskapally in April 2007 as per the provisions of sub-section (2) of section 3 of Andhra Pradesh Assigned Lands(Prohibition of Transfers) Act. In order to comply the statutory requirement under the aforesaid Act, the company has requested the MRO, Allur Mandal to take possession of the assigned lands. Similar request is made to MRO, Indukurpet to arrange the survey of our lands situated at Hatchery, Mypadu village and inform us the existence of assigned lands if any in our Hatchery to reply suitably to the Government.

APPRECIATION :

The Board appreciates the valuable co-operation and support extended by all the employees and shareholders of the Company.
