❖ BUSINESS OVERVIEW

The operations of your Company continued to be affected due to working capital constraints and lack of bank funding. The cost cutting exercises and strict funds management led your Company to register growth in operations of 11.21% compared to the previous year.

The total income recorded was ₹ 231.85 Crores for the year 2010-11 compared to ₹ 120.06 Crores for the previous year. The gross profit earned for the year is ₹ 133.30 Crores. After providing ₹ 7.97 Crores, ₹10.45 Crores and ₹ 13.38 Crores towards depreciation, finance charges and for impairment of assets respectively, your Company has earned a profit (before provisions & taxation) of ₹ 101.50 Crores for the year 2010-11, resulting in decrease in the loss on the Balance Sheet.

Dividend

Your Directors, regret their inability to recommend any dividend on equity shares of the Company since your Company has accumulated losses on the Balance Sheet.

However, your Board has approved payment of dividend on preference shares at ₹ 0.001 per share of ₹ 100/- each, amounting to ₹ 16,959/- as per the terms of the issue covered by the approved Scheme of Arrangement.

❖ HEALTH MANAGEMENT SOLUTIONS (HMS)

Industry structure & developments

Health Care Industry consists of health care facilities, medical devices, diagnostic centers and medical insurance, emergency care, specialist medical care and medical tourism. It is one of India's largest business sectors in terms of revenue and employment, which contributes about 5% of the GDP.

The Medical Devices division, in which your company presently operates, is poised for record growth due to increasing awareness and affordability coupled with an increasing patient pool. Growth in other divisions of the Health Care industry

will also create growth opportunity for your Company and contribution of diagnostic equipment category would be significant.

Despite the working capital constraints faced, the Medical Devices business of your Company registered a healthy growth of 18 percent in terms of net sales during 2010-11 compared to its previous year. Earnings before interest and tax, as a percentage (EBITA) of net sales was 56%, in addition to improvement in working capital cycles and reduction in receivable-days.

■ Opportunities and Threats

Indian Health Care Industry is expected to grow at a faster rate, as substantial investments have been planned in this sector. Strong growth is expected from smaller cities and towns and calls for an effective Distribution and Service infrastructure.

During the year, the Company launched some frontline diagnostic products in the market. This is expected to improve the revenues for the Company in the coming years. In addition, the neighbouring countries offer market opportunities for the business.

BPL today offers a comprehensive range of products for General Practice, Cardiology, Patient Monitoring, Emergency, Imaging, Women & Child Care, Eye & ENT applications. The range of products include the Stethoscope, ECG, Defibrillator, Holter, Stress Test system, Patient monitors, Foetal & Maternal monitor, Otoscope, Ophthalmoscope, Mercury-free aneroid & thermometer, Ultrasound, X-ray and C-ARM.

During the year 2010-11, BPL launched 10 new products covering ECG, Patient Monitoring, Defibrillator and Women & Child Care areas. The Healthcare Business continued to strengthen its sales of "Mercury-Free" blood pressure measuring devices. Development of four new products viz. multi Channel ECG, Public Access Defibrillators,

Directors' Report and Management Discussion & Analysis

7" Patient Monitor and Biphasic Defibrillator with AED has been initiated. These are expected to be released and marketed during 2011-12.

The pace of technology change in the product range of BPL is a key risk area and therefore investments in product development have been planned in the coming years in order to mitigate the threat of obsolescence. Your Company is confident of maintaining its market share with its state of art technology, efficient operations, superior customer service.

■ Outlook

While your Company started modest export of products in the current year, it will continue to broaden customer base by enhancing business development activities with our well-established network of distributors and dealers in hospital chains, and through partnership with the Governments.

During the year, your Company has been re-certified for ISO13485:2003 and ISO9001:2008. It intends to expand the number of products covered under CB & CE certifications, thus making them conform to international quality standards.

The Health Care Management Business has embarked on a product development plan as a long-term strategic plan to establish in the niche areas of the Indian and Global Healthcare Industry.

❖ PRINTED CIRCUITS BOARD (PCB) BUSINESS

The PCB Industry consists of single sided PCBs and double sided or multi layer PCBs. The market for single sided PCBs comes from Colour Television (CTV) segment, consumer electronics, basic telecom equipments, low-end power conversion and the lighting industry. There was no growth in the single sided PCB industry during 2010-11 due to decline in the CTV business. Further, low-cost Chinese imports were able to capture 65% of the market for single sided PCBs.

However, the demand from CFL/LED lighting, power conversion and automotive industries is growing and the Company has plans to capture these growing markets and has planned to achieve 10% growth.

❖ RISKS AND CONCERN

As with Indian industry in general, your Company is exposed to risks such as technology obsolescence, high interest rates, competition from low-cost imports and strong presence of multinational companies in the market. In addition, the Company also has concerns such as shortage of funds and attrition of talent. However, these risks and concerns are being addressed on a continuous basis.

❖ INTERNAL CONTROL AND THEIR ADEQUACY

The Company has appropriate and adequate internal control systems and checks, which ensure that all assets are safeguarded and that all transactions are authorized, recorded and reported fully and correctly.

The Internal control systems are supplemented by extensive programme of internal audit conducted by external qualified Chartered Accountants.

The Company has also put in place effective Budgetary Systems.

❖ FINANCIAL PERFORMANCE AND ANALYSIS

■ Share Capital

During the year, there was no change in the share capital of the Company. The paid up Equity Share Capital of the Company as on 31st March, 2011 was ₹ 48.51 Crores comprising 4,85,10,244 equity shares of ₹ 10/- each, fully paid up. The paid up Preference Share Capital of the Company as on 31st March, 2011 was ₹ 169.59 Crores consisting of 1,69,58,682 Redeemable Preference Shares of ₹100/- each.

■ Reserves & Surplus

There was no change in the Reserves of the Company during the year 2010-11 and it stood at ₹ 236.94 Crores. However, the accumulated losses on the balance sheet have decreased from ₹ 216.86 Crores to ₹ 139.14 Crores.

■ Borrowings

Total borrowings of the Company as on 31st March, 2011 stood at ₹ 118.47 Crores.

■ Capital Expenditure

The capital expenditure of the company for the financial year ended 31st March, 2011 was ₹ 0.45 Crores.

■ Depreciation and Amortization

The details of Depreciation and Amortization have been provided in the notes to accounts. No significant changes were made in the depreciation policies.

■ Corporate Tax

Since the company has not generated any taxable income for the period, no provision for taxes has been made in the books.

❖ HR PRACTICES AND MAJOR INITIATIVES

Participation of employees at all levels, which give them impetus to perform, was focused during the year. Best performing employees of the Company were rewarded for their contributions. Incentives systems were also re-structured and strengthened to bring in effective performance linked compensation.

Talent attraction and retention was set in motion during the year. Employee Training programmes were conducted to help the employee to improve their performance levels.

■ EMPLOYEES STOCK OPTION SCHEME

An employee stock option scheme called "BPL Limited-ESOS-2009" was implemented during the year. The Compensation Committee granted 5,17,739 Stock Options to the eligible directors and employees of the Company on 9th November, 2010.

The information to be disclosed as per SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999, has been provided as Annexure to this Report.

■ SAFETY, HEALTH AND ENVIRONMENT

Employee welfare activities like free medical check up, guest lectures on health concerns were also organized during the year.

The Company had 401 employees as on March 31, 2011.

Directors' Report and Management Discussion & Analysis

❖ DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirement under Section 217 (2AA) of the Companies Act, 1956, with respect to Directors' Responsibility Statement, it is hereby confirmed that:

- iv) The Directors had prepared the accounts for the year ended 31st March, 2011, on a 'going concern' basis.

❖ PUBLIC DEPOSITS

Your Company has not accepted any deposits from the public.

❖ SUBSIDIARY COMPANIES

Earlier your Company had three subsidiary Companies namely BPL Securities Private Limited, BPL Display Devices Limited and Bharat Energy Ventures Limited.

BPL Securities Private Limited was not carrying on business and this Company has made an application under the Easy Exit Scheme- 2011 announced by the Ministry of Corporate Affairs, Government of India. The Company has applied for its name struck off under Section 560 of the Companies Act, 1956 under the said Scheme. Further, BPL Display Devices Limited was ordered to be wound up under the orders of the Honorable High Court of Allahabad on 17th October, 2008. Hence, the accounts of BPL Securities Private Limited and BPL Display Devices Limited have not been provided as required by Section 212 of the Companies Act, 1956.

Your Company has resolved to utilize the general exemption granted by The Ministry of Corporate Affairs, Government of India vide its General circular No. 2/ 2011 dated 8th February, 2011 from attaching the Balance Sheet, Profit and Loss Account, Directors' Report and Auditors Report and other related documents of subsidiary companies and accordingly, the said documents of Bharat Energy Ventures Limited, a subsidiary of your Company are not attached to the Balance Sheet of your Company. However, requirements which your Company is required to meet under the said Circular, will be complied with.

Your company undertakes that the annual accounts and the related detailed information of your Company's subsidiary Bharat Energy Ventures Limited (BEVL) will be made available to the shareholders of the Company and BEVL, who seek such information at any point of time. The annual accounts of

BEVL will also be kept for inspection by any shareholders in the head office of your Company and of BEVL.

❖ PARTICULARS OF EMPLOYEES

❖ CONSERVATION OF ENERGY

Though not a large-scale user of energy, your Company continues to explore several measures to conserve scarce resources and protect the environment. These include Water Recycling, Waste Recycling, Solder Fumes Control and Power Factor Improvement. You company launched the eco-friendly "LED examination light" in the current year and products using "Lithium-ion" batteries.

❖ TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

Continuous efforts are made for developing new technologies and to innovate products for affordable healthcare. A number of products that were "connectivity-friendly" were upgraded during the year and have been introduced into the market. New products to cater to the specific local needs have also been developed by BPL jointly with local Governments and NGOs.

In the coming year, your Company will be launching a Biphasic and Public Access Defibrillator under technology license from Corscience GmbH. An entry level Biphasic Defibrillator was launched through the said collaborator and this has recorded a good growth during the year.

In the current year, your Company made foray into diagnostic imaging with the launch of a range of conventional x-ray products. In the coming year, your Company will expand its presence in this space with high frequency technology products that would release lower levels of radiations.

❖ RESEARCH AND DEVELOPMENT (R & D)

■ Specific Areas in which Research & Development is carried out by the Company and Benefits Derived from R & D

The Healthcare Management Solutions Business focuses on frontline care. It has focused on in-house development of ECG, defibrillator and patient monitoring products in the primary care area. These products incorporate state of the art technologies and also are built to perform under the rigorous conditions of rural India. In the current year, a Bluetooth based ECG acquisition module for use with Treadmill test systems was introduced; the popular one parameter monitor was upgraded to three parameters and monochrome monitor is being upgraded to colour monitors. In the coming years, your Company plans to enter the high end spectrum of ECG & defibrillator devices with an in-house developed A4 ECG system and Biphasic defibrillator with AED facility, which are dominated by multinational companies.

■ Future Plans of Action

In line with the Product development road map and to put the Healthcare Management Solutions Business on a fast track

Annexure to Directors' Report

and to strengthen and improve its products portfolio, BPL HMS will continue to collaborate with global technology companies in order to bring appropriate technologies. These products will drive the cost of healthcare down by promoting early stage diagnosis. To offer affordable solutions to the medical fraternity, your Company would continue to enhance its customer reach and service capabilities at the front end while becoming operationally more effective.

■ R&D Expenditure

The Capital and Revenue Expenditure on R&D during the year amounted to ₹ 1.14 lakhs & ₹ 98.86 lakhs respectively, which is 0.44% of the turnover.
