**2. FINANCE****STEEL WIRE DIVISION :**

As reported earlier the Company had availed IDBI Bill Discounting facilities for supply of material to West Bengal State Electricity Board (WBSEB) from State Bank of India (SBI) supported by a Guarantee of Govt. of West Bengal in favour of SBI and consequently discounted pro-notes issued by WBSEB drawn on IDBI through SBI.

On the due date the bills were returned unpaid and SBI kept on debiting the account of the Company since 1994 and charged Penal rate of interest on the entire outstanding in view of irregularity in the account for such debits consequently squeeze in the operation. Due to the aforesaid reason and delay in sanction/ release of Working Capital facilities your Company has incurred a loss of Rs.18.7097 Crores upto July 1997 for which a claim dated 15.09.1997 has been given to the Banker for compensating this amount. The bank has declined to accept the claim vide letter dated 21.02.1998. The Directors are seized with the issue and shall take next course of action in the overall interest of the company and its share-holders.

Company's request to the Banker for enhancement of working capital credit facilities is pending for consideration since last nine months.

**OPTICAL FIBRE CABLE DIVISION :**

Since, last three years Optical Fibre Cable Division (OFCD) incurred cash loss of Rs.94.79 lacs against which the Company has repaid term loan amounting to Rs.664.46 lacs during that period resulting erosion of margin money for working capital and consequently irregularity in the account. In the current year also Company has paid towards instalment of Term loan amounting to Rs.189.03 lacs against (loss) of Rs.44.62 lacs leading to further irregularity. In view of delay in syndication by SBI Cap and delay in sanction/release of term loan and working capital credit facilities

by the consortium member Banks, the Company could not execute the order in time. Company's request to the bankers for deferment of instalment/ interest of Term Loan and renewal/enhancement of Working Capital Credit Facilities with Working Capital Term Loan pending with the bankers.

**3. DIVIDEND**

In view of loss during the year under review, your Directors do not recommend any dividend for the year.

**4. OPERATIONS**

**a. Steel Wire Division :**

Your Company has recorded satisfactory performance during the year under review. The turnover at Rs.2953.47 lacs for the year has grown by 11.25% as compared to Rs.2654.84 lacs in the previous year. The division generated cash profit Rs.26.67 lacs compared to previous year Rs.9.21 lacs. In spite of recessionary market condition, specially in steel industries, Company recorded better profitability only due to effective cost control & selective product mix and with diversification in customer base. The production during the year has been increased from 10282 MT to 10535MT in comparison with earlier year in spite of the fact there was a nominal production in July 97 due to the reason indicated in earlier year report. The Directors are happy that under overall adverse economic and financial situation, Division has performed well and satisfactory with sincere efforts of the team of management.

**b. Optical Fibre Cable Division :**

During the year under review, OFCD registered turnover (net of returns) Rs.1344.11 lacs as against previous year Rs. 1369.61 lacs. Due to intense competition, the price of fibre optic cable continues to reduce substantially. However, Company has achieved 1867.593 CKM & 1870.011 CKM respectively of production and sale compared to previous year 1682.626 CKM and 1546.876 CKM respectively. Thus capacity utilisation remains less than 20% of the installed capacity as per industry trend in the segment. Company could not even reach to the Break-even point due to higher finance cost & consequent to drastic fall in contribution & profitability resulting cash loss Rs.221.49 lacs. During the year Company has been able to secure an order for 1830 CKM Duct cable in open tenders at substantial reduced rate in view of stiff competition. In current year the DOT has introduced Vendor Rating System (VRS) in which though the Company has participated in Tenders but has to file writ petition in the Honourable High Court of Delhi for restraining the DOT either from VRS or issue orders to all the eligible bidders in the inverse ratio which is pending in the Honourable Court for orders.

During the year under review, the demand also did not pick-up as anticipated earlier due to problems of licence fees and funding of private basic Telecom operators. The company does not foresee any improvement in the current year.

**5. RESTRUCTURE OF BUSINESS**

To explore possibility of joint venture partnership with multinationals for acquiring Export and Private Basic Telephone operators market share in telecom sector, your Company requested the bankers/financial institutions on 20.8.1997 for granting in principal approval for demerger of Optical Fibre Cable Division from BWL Ltd. The Draft scheme of arrangement has been finalised in consultation with M/s O.P. Khaitan & Co. solicitors. On receipt of approval from the Bankers and financial institutions, the necessary approval will be obtained from the Members of the Company and other competent authorities.

**6. DIRECTORS**

In accordance with the requirement of the Companies Act 1956 and articles of Association of the Company Shri S.P.S. Dangi and Shri Manish Bahl will retire by rotation and being eligible offer themselves for reappointment.

**7. AUDITORS :**

M/s. G. Basu & Co., Chartered Accountants, Auditor of the Company hold office until the conclusion of the ensuing Annual General Meeting and are recommended for reappointment. Certificate from the Auditors has been received to the effect that their reappointment if made would be within the prescribed Limits under section 224 (IB) of the Companies Act, 1956.

**8. PUBLIC DEPOSITS :**

Company has not accepted any fresh deposits from the public during the year 1997-98 and has no overdue deposits outstanding other than those unclaimed as on 31st March 1998.

**9. POLLUTION & ENVIRONMENT CONTROLS :**

The Company has taken adequate steps for waste water treatment and the Company has planted sufficient number of Babul, Neem and sapling plant to mitigate air pollution.
