Considering financial results and statement, Board of Directors have discussed in detail with relevant Laws and enactments whether the company is required to be referred to BIFR. It was unanimously opined that the company is statutarily required to be referred to BIFR.

2. FINANCE

STEEL WIRE DIVISION :

As reported earlier, in view of unusual debit of unpaid pronotes of West Bengal State Electricity Board the bank has charged penal interest on the entire outstanding and interest on unpaid pronotes aggregating Rs. 240.08 lacs. This has squeezed the operative working capital limit. The company in its judgement and prudence did not take legal recourse and has been trying to solve problem with bankers. Companies request to the banker for enhancement of Working Capital Credit facilities is pending since last twenty one months.

OPTICAL FIBRE CABLE DIVISION :

Since last four years Optical Fibre Cable Division (OFCD) incurred cash loss of Rs.770.39 lacs against which the company's cash credit account with the bank has been debited for repayment of instalment of foreign currency loan and rupee term loan amounting to Rs.1048.27 lacs during that period resulting erosion of margin money for working capital and consequently irregularity in the account. In the current year also the company's account has been debited towards final instalment of Foreign Currency loan amounting to Rs.201.81 lacs against loss of Rs.112.35 lacs leading to further irregularity. The rehabilitation proposal submitted by the company on being asked by bank was rejected by the State Bank of India The Lead Bank. Now they have appointed National Productivity Council for Techno-Economic Viability study.

3. DIVIDEND

In view of loss during the year under review, your directors do not recommend any Dividend for the year.

4. OPERATIONS :

STEEL WIRE DIVISION :

During the year under review income from operation has been increased from Rs. 2951.32 lacs to Rs. 4027.91 lacs despite a market which is faced with sectoral recession and incurred a cash loss of Rs. 318.67 lacs in view of writing off doubtful debts amounting to Rs. 186.71 lacs and other changes in the accounting policies which has become mandatory as per amended provision of section 211 (3A), (3B) and (3C) of the companies (amendment) ordinance 1999. In view of slugish demand the increase in input cost could not be passed on to the customers. Your directors are pleased to inform you that the division has obtained the IS/ISO 9002 certificate issued by Bureau of Indian Standards. Now both the divisions have been awarded IS/ISO 9002 certificate for Quality of international standard. Inspite of depressed market condition and lack of unsatisfactory growth in the Power, infrastructure sectors since last several years, company have been able to achieve the increased volume of turnover during the year under review due to bulk order of P&T Deptt. However, current year of your company will be uncertain and may not be able to Working Capital Credit Facilities due to the reason indicated elsewhere in the report.

OPTICAL FIBRE CABLE DIVISION :

During the year under review, OFCD registered turnover of Rs. 649.87 lacs as against previous year of Rs. 1344.11 lacs. As reported earlier on imposition of Vender Rating System by DoT, the company could not secure adequate orders during the year under operation due to delivery lapeses in the past. Board is pleased to inform that company has already secured orders for Rs.25.00 crores and hopeful of receiving further orders worth about 5.00 crores during the year in view of increase in demand of company's products. However execution and turnover during the year is subject to availability of adequate Working Capital facilities with concessions from the Bankers.

RESTRUCTURING OF BUSINESS

The company filed an application to the Hon'ble High Court of Jabalpur for demerger of Optical Fibre Cable Division due to reasons explained in the earlier report. First due to delay in receipt of required approval from the bankers and Institution and then prolonged decision by Hon'ble High Court of Madhya Pradesh, further action has been kept in abeyance as company is being referred to BIFR.

5. MILLENNIUM

Your company have already modified the existing packages and taken care of century on. As a result modified the dates/years in all the software which are based on dates/years calculation and hopeful to rectify the work process in respect of Y2K complaint by end of September 1999.

6. DIRECTORS

In accordance with the requirement of the Companies Act, 1956 and Articles of Association of the Company, Shri S P S Dangi and Shri Manish Behl will retire by rotation and being eligible to offer themselves for reappointment.

7. AUDITORS

M/s G. Basu & Co., Chartered Accountants, Auditor of the Company hold office until the conclusion of the ensuing Annual General Meeting and are recommended for reappointment. Certificate from the Auditors has been received to the effect that their reappointment if made would be within the prescribed limits under section 224 (1B) of the Companies Act, 1956.

8. PUBLIC DEPOSIT

Company has not accepted any fresh deposits from the public during the year 1998-99 and has no overdue deposits - outstanding other than those unclaimed as on 31st March 1999.

9. POLUTION AND ENVIRONMENT CONTROL

Keeping in mind the concept and importance of environment protection, Pollution control and monitoring systems are used to ensure smoke free environment. The Company has also taken adequate steps for waste water treatment and the company has planted sufficient number of Babul, Neem and sapling plant to mitigate air polution.
