2. DIVIDEND :

In view of accumulated loss, your Directors regret their inability to recommend any dividend.

3. SEGMENT WISE PERFORMANCE :

Segment results have been reported in the Notes to the Accounts for the year. The required disclosure has been made for two primary segments Steel Wire and Optical Fibre Cable.

3.1. STEEL WIRE :

The turnover of this division for the year under review was Rs. 1331.98 Lacs as against Rs. 2076.20 Lacs in previous 18th months period thereby displaying a 4% decline on annualised basis towards sale value of production. Trend would have been otherwise if there was no drastic rise in input cost with particular reference to Wire Rod & Zinc. During the year under review profit before interest and depreciation has been reduced to Rs. 14.03 lacs from Rs. 37.29 lacs in previous period.

Unfortunately, rise in sale price was less than commensurate with the hike in cost of inputs. Consequently whole increase in input cost could not passed on to the customers. Situation has been further aggravated due to cut throat competition among manufacturers. Inadequacy of working capital is also providing another stumbling block in enhancing the capacity base. Stiff Competition from the large players those having backward integration facilities, accompanied by pocity of fund is likely to come in the way of registering any substantial improvement in our current year's performances. Management will continue its endeavor to increase profit through rationalisation of product mix and selective customer strategy as in year under Review.

3.2. OPTICAL FIBRE CABLE

The unit remained defunct for the whole of the year. Loss of the year before interest and depreciation (aggregating Rs. 128.52 lacs as against Rs. 1751.67 lacs in previous year) was Rs. 53.21 lacs as against profit of Rs. 166.25 lacs in previous year on account of recovery of Doubtful debts (Rs. 199.53 lacs).

4. HUMAN RESOURCES & INDUSTRIAL RELATIONS :

Emphasis continued to be laid on cultivation of healthy industrial relationship within existing workforce and the company was free from any employee's unrest during the year.

5. FINANCE :

During the year under review, the company has made One Time Settlement (OTS) of dues with the secured creditors i.e. State Bank of India, State Bank of Hyderabad and State Bank of Patiala enjoining payment of Rs. 1000 lacs (bearing interest at PLR rate) against their entire outstanding in full & final settlement of dues payable in periodic instalments commencing from January 2006 and ending on August 2007. Till date of this report, the company has paid Rs. 571.57 lacs in total, Rs. 524.04 lacs towards principal and Rs. 47.53 lacs towards interest on OTS dues.

To honour payback obligation of OTS due to the Banks and financial institution the company has already availed unsecured loan of Rs. 311.11 lacs from the sources of associate companies. To facilitate the cause of balance payment, consent has been obtained from the secured creditors to initiate sale of optical fibre cable unit at Shoghi H.P. Advertisements have also been published in the all India Edition of Economic Times and the Journal of Few Business associations to the effect. The company will seek your approval required U/s 293(1) (a) of the Companies act 1956 in due course. Besides the company has paid entire due on account of principal and interest amounting to Rs. 32.00 lacs and Rs. 0.12 lac respectively to IDBI pursuant on One Time Settlement of dues arrived at with the said financial institution during the year.

6. STATUTORY DUES :

The Directors have pleasure to state that the company continues to pay / deposit all statutory dues to the extent lying undisputed generally in time notwithstanding Sick status accorded to it by BIFR.

There has also not been any default in payment to creditors for goods and services.

7. BIFR STATUS :

As reported earlier the company has been declared Sick by the Hon'ble BIFR. Consultant appointed by IDBI (OA) has submitted techno Economic viability report and concluded OTS of dues to banks and financial institution to be lone remedy of rehabilitation of the company. The company has requested the AAIFR to remand back the pending appeal cases filed before them by the company against a few directions (including change in management) issued by BIFR to adhere to the OTS agreement. One Time Settlement by its natural implication renders cases filed before DRTs, notices issued under SRFAESI Act and order of BIFR for change in management infactious.

8. DIRECTORS :

Shri Manish Behl and Shri S.P.S. Dangi retire by rotation and being eligible, offer themselves for re-appointment. Shri H.P. Khetawat due to his age has retired from directorship of the company w.e.f. 01.04.2006.
