The turnover of this division for the year under review was meager Rs.4.09 Lacs as against Rs.392.11 Lacs in previous period.

Proposed issue of zero coupon Redeemable Preference shares redeemable at the option of the company within a period not exeeding twenty years. Subject to approval for amendments of Memorandum and Articals of Association and issuance of unlisted preference shares for private placement within the meaning of section 81 of the companies act, 1956 whole or substantial part of unsecured loans poised for conversion atpar into Zero coupon Redeemable Preference Shares redeemable at the option of the company within a period not exceeding Twnety Years.
