## Chairman's Message

Dear Shareholder's,

I am delighted to welcome you all for Twenty Sixth Annual General Meeting. We must record our sincere thanks and appreciation to all those who have stood by us with their investments. Your continued trust, encouragement, support and fair criticism based on data and facts are what give us energy, enthusiasm, confidence and motivation to strive for betterment!

Your Company believes in "Quality and Timely Delivery" and these have been pillars of our Success in the National and International Markets. The combination of operational excellence and improved quality were the key drivers of our Company which resulted in improved profitability.

Your Company, Bajaj Healthcare Limited, is a backward integrated pharmaceutical company with manufacturing and marketing capabilities in Active Pharmaceutical Ingredients (APIs), Intermediates and Finished Dosage Formulations (FDFs) with focus on Vitamins, Amino Acids, Anti-Convulsants and Finished Dosage Forms (FDFs) catering to various therapeutic segments.

Your Company has State - of - the - Art manufacturing and R&D facilities which will help us to make further inroads in highly regulated and challenging markets.

Your Company began its operations in the year 1993 with an API manufacturing unit in Tarapur, near Mumbai. Over the years we have expanded our scale and scope of operations and currently we have enlarged our wings up to five (5) manufacturing units for manufacture of APIs, Intermediates and Formulations. As part of this expansion, in the year 2006, we acquired a 46,000 sq. mtrs. plant in Savli, Vadodara for setting up one of our biggest API and Intermediate manufacturing units. In the year 2008, with a view to enter into manufacturing of FDFs, we acquired a 3,000 sq. mtrs. Formulations plant at Manjusar, Vadodara and we have converted it into a state-of-the-art WHO-GMP compliant facility. Keeping in momentum of the expansion, in the year 2013, we set-up yet another API and Intermediate manufacturing unit at Panoli, Ankleshwar. In the last fiscal, i.e. in F. Y. 14-15, with the growing demand for APIs, we decided to have a separate unit for Intermediate products so that the Savli and Panoli Units could concentrate on manufacture of APIs. Accordingly, in November 2014 we acquired and set-up an Intermediate Unit in Tarapur MIDC, near Mumbai.

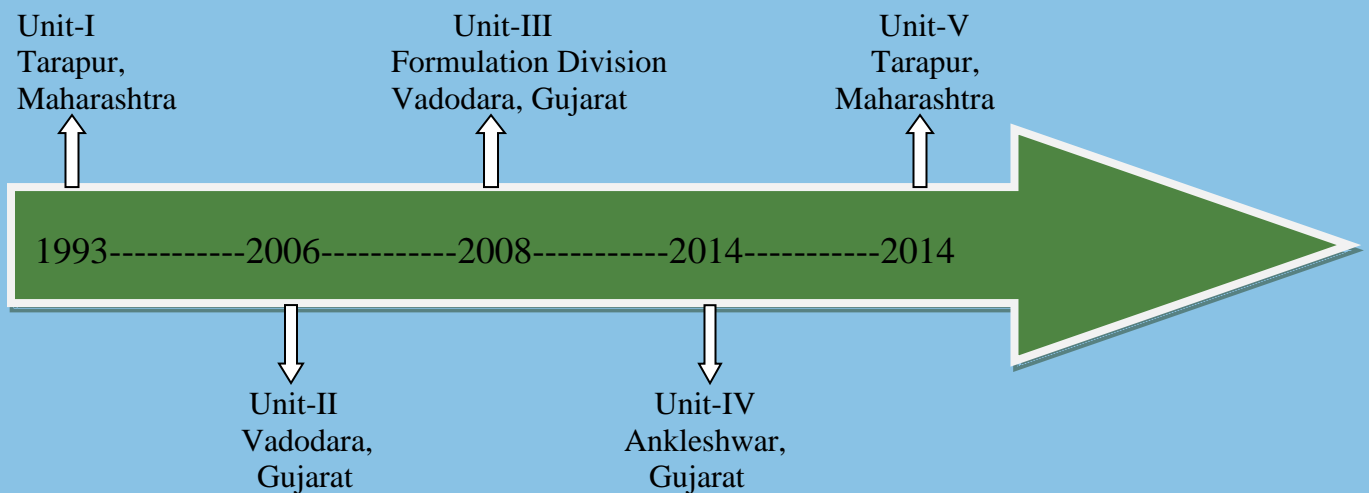

In conclusion, I would like to thank all our Stakeholders and Boards members for their continued trust, guidance and Support. I am also grateful to our Customers, Vendors, Bankers and Other Business Associates who have reposed their faith in us. I would also like to extend my appreciation to our employees for their commitment and contribution in our Company.

We remain focus about our future with a well balanced strategy and determination to make the most of the available opportunities, thereby creating greater value for all our Stakeholders

Your Sincerely,

Sd/-  
Sajankumar Bajaj  
Chairman & Managing Director
