MANAGEMENT DISCUSSION & ANALYSIS OVERVIEW:

INDUSTRIAL STRUCTURE AND DEVELOPMENT

We are an Export House mainly dealing in hand made items like Glass Beads, Necklaces, Handicrafts Items & Carpets.

The Company has setup a new Plant (Glass Furnace) at its branch situated at G. T. Road Tandia, Varanasi. Where the production of Glass rods and other related items have been started from December' 2003. But we are not getting proper results from said plant. We are in process to remove the problem and hope shortly we will get better results from said plant. After getting proper results our cost of production will be reduced much and quality will be increased.

With operational improvements undertaken by your Company and focus on quality and the cost reducing drive, your Company's management is making extensive efforts to widen its marketing base. Your Directors are confident of improving business results in the years to come.

OPPORTUNITIES

Hand made items like Glass Beads and other fashionable items are continuously appreciated in International market and on growth. It is anticipated that there is a growth rate of approximately 15 to 20 % in the market in every year. Hence, there are opportunities for doing more business in this line.

THREATS

From last few years China is trying to come in this market. Hence competition will increase and we have to be forced to reduce the price further under pressure. The fluctuation in rate of foreign currency will also affect our business and profit.

SEGMENT-WISE PERFORMANCE

The turnover of Glass Beads and other handicrafts items have shown an upward turn whereas Carpet turnover declined in comparison of last year.
