EXPLANATORY STATEMENT (Pursuant to Section 173 of the Companies Act, 1956)

ITEM 7

Dr. K.M. Bhattacharya relinquished the office of the Managing Director & Chief Executive Officer (MD&CEO) of the Bank on 21.05.2004. In terms of Article 144 of the Articles of Association of the Bank, the Board of Directors appointed Shri B.M. Sharma as MD & CEO of the Bank on the terms and conditions as per Annexure for a period of three years. RBI has, vide its order, DBOD No.366/08.31.001/2003-2004 dt. 19.10.2004, approved the appointment of Shri Sharma as MD & CEO of the Bank for a period of three years from the date of assuming charge in terms of section 35B of the Banking Regulation Act, 1949. Shri Sharma has joined the Bank on 18.11.2004. At the recommendation of the Board, RBI has further approved additional perquisites for Shri B.M. Sharma, MD & CEO, vide its order DBOD No.1191/08.31.001/2004-2005 dt.10th May 2005.

None of the Directors, except Shri B.M. Sharma, is interested or concerned in the above resolution.

Resume of Shri B. M. Sharma

Shri B.M. Sharma, born on 22nd October 1944, is a Graduate in Economics and CAIIB part I. He joined Punjab National Bank as a Management Trainee in 1973. Prior to joining PNB he served in the Indian Navy as Short Service Commissioned officer for seven years. He held various important positions in PNB in areas such as Personnel Administration, Zonal Head and retired as General Manager, In-charge of Credit and International Banking, at Head office of PNB. He has attended training programmes at premier training organizations in India and abroad on topics including Mergers and Acquisitions, Banking Technology, Organisational Change, US Investment Summit and Executive Development. He was also a member of a few committees constituted by Reserve Bank of India.

ITEM 8

Reserve Bank of India guideline requires banks to maintain a minimum capital adequacy ratio of 9% (i.e. ratio of capital to risk adjusted assets and off balance sheet items) at least half of which must be Tier I capital. The Bank's capital adequacy ratio was 12.75% as on 31st March 2005, out of which the Tier I capital – adequacy ratio was 7.84%. However, the *proforma* capital adequacy after providing capital charge for market risk and operational risk in accordance with BASEL II works out to only 9.25%. The Bank's capital base needs to be augmented to meet the future capital requirements arising out of growth in our asset portfolio and enhance our ability to make loans and provide other financing products to our customers. A portion of the issue may also be used to fund infrastructure growth through expansion of our branch network and other distribution channels. At present the Bank's paid up capital is Rs.107.57 crores and authorized capital is Rs.150 crores.

The guidelines of RBI on ownership and governance in Private Sector Banks, issued on 28.2.2005, stipulate that the banks in private sector should have a net worth of Rs.300 crores at all times. However, the capital requirements of the banks are expected to go up steeply to comply with the capital adequacy requirements under Basel II.

In view of above, it has become necessary to increase the capital of the Bank. It has, therefore, been proposed by the Board of Directors that the Authorized Capital of the Bank be raised from Rs. 150 crores to Rs. 250 crores divided into 25 crore shares of Rs. 10/- each by substituting Clause 5 of the Memorandum of Association. This seeks consent of members of the Company by way of ordinary resolution.

None of the Directors of the Company is, in any way, concerned or interested in the above resolution.

ITEM 9

The Resolution seeks to amend Article 3(a) for raising the Authorized Capital of the Company from Rs. 150 crores to Rs. 250 crores in conformity with Clause 5 of the Memorandum of Association. This seeks consent of members of the Company by way of special resolution.

None of the Directors of the Company is, in any way, concerned or interested in the above resolution.

ITEM 10

The shareholders in 52nd Annual General Meeting gave the consent to further issue of capital for an aggregate amount not exceeding Rs.500 crores or equivalent thereof in any foreign currency by way of shares, non-convertible securities, GDRs or convertible bonds etc. Pursuant to the said consent, the Bank issued share capital aggregating to Rs.112 crores to the existing shareholders by way of Rights Issue and conversion of tradable warrants in the year 1999 and 2001.

To maintain adequate capital adequacy ratio under the revised international capital framework, popularly known as Basel II, your company will be required to raise further capital. Since the resolution passed by the shareholders in 52nd Annual General Meeting is quite old and the limit available for raising capital under the said resolution is inadequate, the Directors recommend that the shareholders may give their consent under 81 (1A) of the Companies Act, 1956 for issuing, offering and allotting equity shares for an aggregate amount not exceeding Rs.1000 crores or equivalent thereof to Residents or non-residents by way of ADRs/GDRs/convertible debentures/public issue/rights issue/preferential issue etc. as set out in the resolution.

Directors of the company may be deemed to be interested in the resolution to the extent of their shareholding in the Company.
