LETTER TO SHAREHOLDERS

Dear Shareholders,

I Kaushalkumar Gupta, welcome all of you to the 7th Annual General Meeting of "Bansal Roofing Products Ltd". It was indeed a year full of struggles for your Company and Industry.

The rates of raw materials and finished goods have dropped bit by bit in succession from September, 2014 up to March, 2015. Simultaneously the demand of our products dropped and supply increased due to entry of new players. Also, the exports were shrinked due to lack of demand in overseas market. However, we put in our best efforts to survive in such slack and competitive market.

Your Company has taken several remedial measures at all levels to ensure efficient working to find the ways to reduce the cost of production. These measures include thorough review of processes and procedures, re-examining of strategies and others. Due to these measures we have been able to maintain the quality of product at lower cost and maintain our position in the market.

Turnover of the Company increased by 21.34 % in the financial year 2014-15 as compared to the previous financial year (i.e.) 2013-14. However there was a downfall in Profit after Tax of 38.07 % in the financial year 2014-15 as compared to the previous financial year 2013-14. Exports of the Company increased by 76% in the financial year 2014-15 as compared to the previous year 2013-14. In the previous financial year Company used to export to Uganda, while in the financial year 2014-15, Company started exporting to East African Countries like Ethiopia, Tanzania and Rwanda. Therefore, future prospects in export of roofing products and its accessories seems to be good.

I would like to mention that your Company is in the process of increasing turnover by adding new products in the existing range of products and thereby increasing the quantum of profit of the Company.

I also thank my entire Board for their contribution towards Company's growth and success by providing their intellectual skills.

I personally believe that employees are assets as well as pillars of the Company and without them Company would not have attained such position in the market. I salute their spirit that motivates them to constantly deliver their best and surpass themselves.

Last but not the least I thank all of you for continuing to work with the Company and there by supporting it in all its endeavors.

With Best Wishes, Kaushalkumar S. Gupta
