International Product & Service Awards 2019

Dear Shareholders,

It gives me a lot of pleasure to inform you that we have had another wonderful year of growth. In this challenging year our sales grew by 17.50% & profit after tax by 54%.

Expanded capacity has now become operational and the focus is on maximising the utilisation of the plant in this year and the next.

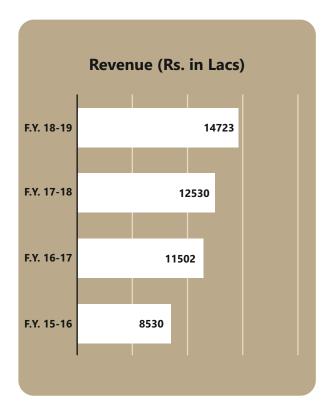

We continue to execute the business strategy without any major changes. While expanding the distribution for Bella Casa in India, we are making ourselves more efficient in manufacturing by investing in designing and production capabilities. We want our products to be known for their innovative designs and good quality. Our association with Disney & Marvel continues. Our products are now available in more than 4000 outlets across India.

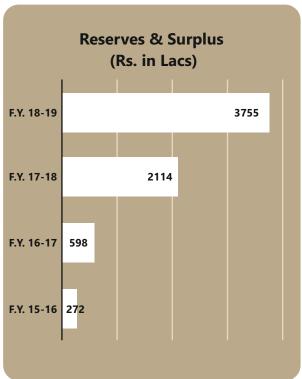

Please note that your company is in the business of fashion and this business is extremely suitable business to be in at this point of time. With such a young and growing population of India which has high aspirations, the demand for all things fashionable is bound to increase.

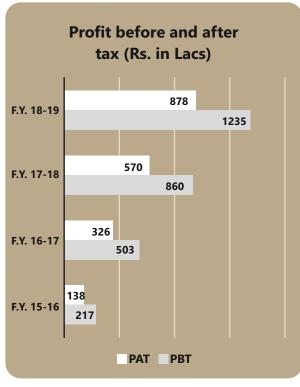

I am thankful to you for your support and want to mention that although the macro economic indicators show a challenging economic scene in the country, I feel confident that the way we have planned our business we shall be able to deliver expected sales and profits in the years to come.

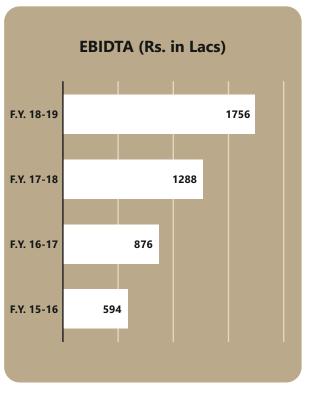

Yours sincerely
Harish Kumar Gupta
Chairman & Whole-Time Director
