ADDENDUM TO DIRECTORS' REPORT

As regards the qualifications in the Auditor's Report, the Directors furnish the following explanation:

1. Para IV.6 (i) of the Auditors' Report:

The Company has been providing interest on term loans and over drafts availed from the Consortium of Banks at 8.25% p.a. and no interest was charged on term loans on which interest moratorium was allowed as per CDR Terms. The CDR terms were withdrawn with effect from 29th September 2008, but the applicable rate of interest from 1st October 2008 is not fixed / communicated to the Company. In the mean while the Company has submitted a proposal for One Time Settlement (OTS) of its liabilities to the Banks which is under their active consideration. The Management is confident that the provision already made will sufficiently cover the interest liability when the OTS terms are fixed.

2. Para IV.6 (ii) of Auditors' Report:

Hire Purchase Finance Companies have seized and taken possession of the assets hypothecated to them for liquidating their dues. However, in spite of repeated requests by the Company, they have not furnished the details of the settlements of accounts. The Management is of the opinion that no over due interest is payable after the date of seizure.

3. Para IV.6 (iii) of Auditors' Report:

No interest is provided on the Loan from M/s. Vinsons Projects India Pvt. Limited since the company has disputed the interest liability and has counter claim against the above company. The matter is under litigation before the court and the management expects a favourable order.

4. Para (1) & (2) of Annexure to Auditors' Report:

After terminating the contracts in four projects, the respective Clients have imposed restrictions on transfer of the equipment/vehicles, stores & spares out of the project sites, pending settlement of disputes. Our Company has challenged the terminations as well as the forcible taking over custody of the Company's assets. The Company is confident of getting the decisions in its favour.

The Directors are of the opinion that the Company is entitled to carry the value of the assets in its books of account, since the ownership of the assets continue to vest in the Company and that the market value of the above assets would be much more than their book values, so as to compensate impairment/deterioration losses, if any, caused to the assets.

In the case of assets which have been forcibly taken over by the hire purchase finance companies also, the Directors are of the view that the Company is justified in carrying both the assets and liabilities in its books, pending settlement of their accounts after resolving the disputes with them. The Company has taken steps to negotiate with those Companies in this respect.

5. Para (6) of Annexure to Auditors' Report:

During the year the Company has paid Rs. 46.46 lakhs to Depositors. Earnest efforts are continuing to clear off the entire outstanding.
