ADDENDUM TO DIRECTORS' REPORT

As regards the qualifications in the Auditor's Report, the Directors furnish the following explanation:

1. Para IV.6 (i) of the Auditors' Report:

The Company has been providing interest on term loans and over-drafts availed from the Consortium of Banks at 8.25% p.a. and no interest was charged on term loans on which interest moratorium was allowed as per CDR Terms. The CDR terms were withdrawn with effect from 29th September 2008, but the applicable rate of interest from 1st October 2008 is not fixed / communicated to the Company. In the mean while the Company has submitted a proposal for One Time Settlement (OTS) of its liabilities to the Banks, which is under their active consideration. The Management is confident that the provision already made will sufficiently cover the interest liability when the OTS terms are fixed.

2. Para IV.6 (ii) of Auditors' Report:

Hire Purchase Finance Companies have seized and taken possession of the assets hypothecated to them for liquidating their dues. However, in spite of repeated requests by the Company, they have not furnished the details of the settlements of accounts. The Management is of the opinion that no over due interest is payable after the date of seizure.

3. Para (1) & (2) of Annexure to Auditors' Report:

After terminating the contracts in four projects, the respective Clients have imposed restrictions on transfer of the equipment/vehicles, stores & spares out of the project sites, pending settlement of disputes. Our Company has challenged the terminations as well as the forcible taking over custody of the Company's assets. The Company is confident of getting the decisions in its favour.

The Directors are of the opinion that the Company is entitled to carry the value of the assets in its books of account, since the ownership of the assets continue to vest in the Company and that the market value of the above assets would be much more than their book values, so as to compensate impairment/deterioration losses, if any, caused to the assets.

In the case of assets, which have been forcibly taken over by the hire purchase finance companies also, the Directors are of the view that the Company is justified in carrying both the assets and liabilities in its books, pending settlement of their accounts after resolving the disputes with them. The Company has taken steps to negotiate with those Companies in this respect.

4. During the year the Company has paid Rs. 21.27 Lakhs to Depositors. Earnest efforts are continuing to clear off the entire outstanding.

- (g) The repayment schedules for the above loans taken are not fixed. Hence, we are not in a position to comment on the regularity of the repayment and the overdue position of these loans.
4. In our opinion and according to the information and explanations given to us, there is adequate internal control system commensurate with the size of the company and the nature of its business with regard to purchases of inventory, fixed assets and with regard to the sale of goods and services. Further on the basis of our examination of the books and records of the Company, and according to the information and explanations given to us, we have neither come across nor have been informed of any continuing failure to correct major weakness in the above said internal control system.
5. (a) According to the information and explanations given to us, we are of the opinion that the particulars of contracts or arrangements referred to in section 301 that
