The Company has entered into an Operating and Management Agreement with Inter-Continental Hotels Corporation, an internationally known hotel chain in respect of company's hotel The Grand Palace - Srinagar and proposed hotels at Mumbai and Goa.

### DIVIDEND

The Directors of your company are pleased to recommend a dividend of 10% i.e. Rs.1.00 per share for the year ended 31st March, 1999. The dividend will be payable to the members whose names appear on the Register of members of the company on the date of 18th Annual General Meeting.

### EXPANSION & FUTURE PROSPECTS

The company has carried out massive renovations, additions, alterations and replacements in Company's hotel The Grand Palace at Srinagar. The hotel is partially operational since April, 1998. During the current year the hotel shall be fully operational with all modern facilities.

The company commenced the construction works in full swing for its hotel projects at Mumbai and Goa after obtaining all necessary approvals and clearances from authorities during the year.

In February 1999, Bombay High Court at Goa in the matter of a public interest petition filed by Goa Foundation, passed an interim order staying the construction works of company's Goa Project. The Supreme Court has directed the High Court to decide the matter in four months i.e. by August, 1999. The construction work shall commence after the decision of the Bombay High Court which is expected to be favourable to the company as the company has obtained all necessary approvals for the project.

### DIRECTORS

Shri Chakor Lalchand Doshi and Shri Dharam Veer Batra, Directors of the Company, retire by rotation at the ensuing Annual General Meeting and, being eligible, offer themselves for reappointment.

PARTICULARS REQUIRED TO BE DISCLOSED AS PER THE COMPANIES (DISCLOSURE OF PARTICULARS IN THE REPORT OF THE BOARD OF DIRECTORS) RULES, 1988.

#### (1) CONSERVATION OF ENERGY

a) Various energy conservation measures adopted by the company are as follows:

- Over 1000 energy saving electrical fittings have been installed in illuminated areas which are active round the clock.

- Timers and photo cell switches have been installed for controlling the exterior lights.
- With a view to enhance light effects and reduce electricity consumption, the Company has finalised a lighting plan under which Garden lights and Porch lights have been changed. The lights in the Lobby are also replaced into energy saving.
- All Air Handling Units have been fitted with thermostatic controls; supply and exhaust blowers are controlled from a centralised Control Panel for effective operation. Automatic timers have been fitted for various supply and exhaust blowers to avoid wasteful running and have a programmed cycle of operations; all party rooms, conference halls and Restaurants have been fitted with dimmerstat controls; maximum possible area has been covered with fluorescent lightings; proper utilisation of waste steam from laundry and kitchen areas worked out and saving of water also planned.

(b) The implementation of Energy Conservation Programme:-

The company has installed the vapour absorption machine of 500 Ton to enhance and achieve the air-conditioning temperatures. The company has already rectified all the capacitor banks to save energy, unloading the installed equipments and city distribution system by maintaining power factors. The company has been continuously studying fuel and utility bills; measuring the results of tracking energy consumptions and the objectives of record keeping; having commitment to and accountability for energy conservation at all levels of the Hotel's operations; established an energy conservation committee; making a walk-through inspection of the hotel to identify wasteful conditions; implementing changes in operating procedures by instructions to the staff regarding wasteful energy practices, setting realistic energy saving objectives.

- (c) Energy conservation efforts are being greatly enhanced by a strong planned Preventive Maintenance Programme. Each month the Maintenance Department compiles an Energy Consumption Report for the hotel that is a valuable energy conservation tool. Discussions with regard to the same are held on a continuous basis to achieve more better results.
- (d) Internal energy audits are carried out to balance total energy inputs with use to identify all of the energy streams into a facility and to quantify energy use according to discrete functions.
- (e) During renovation of the property the process of changing (renewal) from incandescent bulbs to low wattage compact fluorescent lamps is being done substantially to conserve energy thereby cutting energy costs, at the same time keeping the aesthetic value of the property in tact and still going on.
- (f) As a result of the aforesaid measures taken and firm commitment of the management, considerable saving in Electrical unit, LDO & HSD has been achieved. The company continues to make all efforts to keep consumption at optimum level. As an example: Vapour Absorption machine of 500 Tons installed.

**(2) TECHNOLOGY ABSORPTION**

As required under Rule 2 of the Companies (Disclosure of Particulars in the Report of the Board of Directors) Rules, 1988, to the extent applicable, the steps taken by the company in Technology Absorption are detailed in the prescribed Form B which is annexed hereto as Annexure 'A' and forms part of this report.

**(3) FOREIGN EXCHANGE EARNING & OUTGO**

- (a) The company has earned foreign exchange equivalent to Rs. 34.50 crores which is about 54.95% of the total revenue earned by the Company from Hotel operations during the year.
