MANAGING DIRECTORS' MESSAGE

We thank each and every member of Bharati Shipyard Limited (Bharati family) for their continued support and belief in Bharati. As you all are aware, financially this has been a strenuous year for the Industries in India in general and the shipping and shipbuilding worldwide in particular. Bharati has been no exception inspite of making relentless efforts to fight against the odds arising due to the continuing global downturn in the shipping and shipbuilding industry and which is probably the worst slump ever.

Moreover, despite the sanction and approval by the CDR EG in the year 2013 and March, 2014, the Banks did not release the required working capital facilities. The Company was enjoying the working capital and term loan facilities from twenty five banks and institutions, out of which twelve banks led by SBI Group, have sold their debt to Edelweiss Asset Reconstruction Company Ltd. (EARC). Balance thirteen Banks and institutions are still with the Company.

All these factors have adversely affected the financial as well as the liquidity of Bharati. In order to cope up, Bharati has been making dual efforts viz; on the one hand we have been striving towards growth of revenue and on the other hand efforts are being made for reduction of outflow of funds through optimization of resources and restricting of its debts with the aid of its Lenders led by Edelweiss. Edelweiss is constantly working on the revival of the Company by talking to various strategic investors to tide over the present financial position of the company.

With elite expertise in the Ship Building Sector, Bharati has an edge over its peers but constant decrease in the global oil demand and prices, the demand for offshore vessels is not up to the expectation of the Company. Even then Bharati is the proud owner of two large shipyards located in Dabhol and Mangalore with state-of-the art infrastructure. Despite all the above financial problems, your Company with the dedicated efforts of the entire Bharati family has successfully delivered four vessels in the last year.

Bharati's hard earned goodwill, the commitment of its employees and the support from all of you will help us to face the future. The current liquidity crunch being faced by Bharati we believe is temporary, which we expect to overcome in the near future.

With the assurance and dedicated support of Edelweiss and the existing Banks, the Company is working but at a low capacity in the yards for want of working capital. We are hopeful and confident that we can turn around to our normal operations from January 2016. Once, again we reiterate that we are extremely thankful to our investors, customers, bankers, employees and the Bharati family for their continuous support throughout these very challenging times.

Thanking you,

Yours faithfully,

Mr. Vijay Kumar
Managing Director

Mr. P.C. Kapoor
