AUDITORS' REPORT

To
The Members,
BHOR INDUSTRIES LTD.

1. We have audited the attached Balance Sheet of BHOR INDUSTRIES LIMITED, as at 31st March 2002 and also the annexed Profit and Loss Account of the Company for the year ended on that date. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts and the disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion and we report that:

- i) *No provision has been made for disputed Excise Duty liability amounting to Rs.1054 lakhs, without considering interest thereon the amount of which is not ascertainable; [Note B3a]*
- ii) *Current Assets includes an amount of Rs.103 Lakhs being an excise duty refund receivable, the claim in respect of which has been rejected by the excise department. [Note B3b]*
- iii) *Although the Finished and Semi finished Inventories are valued at lower of the cost or the estimated realisable value, the method is not in accordance with AS 2 "Valuation of Inventory" because the cost calculated by the Company includes administrative, selling, distribution and finance cost also resulting into, in most of the cases, cost being higher than the net realisable value. The financial impact of this is unascertainable [Note B9]*
- iv) *Sundry Debtors includes amount receivable on sale of Land amounting to Rs.1179.5 Lakhs. The conveyance for the same is not yet executed. [Note B5]*
- v) *Investments are valued at First In First Out basis as against Average Cost as required by the AS 13 "Accounting for Investments" issued by The Institute of Chartered Accountants of India as a result of which loss on sale of Investment is overstated and value of Investments is understated by Rs.205 Lakhs. [Note B10];*
- vi) *Deferred Taxation reserve is not created as required by the AS 22 "Deferred Taxation" issued by The Institute of Chartered Accountants of India, the amount of which is not ascertainable.*

- 2 Further, subject to our comments referred to in paragraph 1, we report that:

- i) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ii) In our opinion, proper books of accounts, as required by law, have been kept by the Company so far as it appears from our examination of books.
- iii) The Balance Sheet and Profit and Loss Account dealt with by this Report are in agreement with the books of accounts.
- iv) In our opinion, the Profit and Loss Account and the Balance Sheet comply with the Accounting Standards as referred in the Section 211(3C) of the Companies Act, 1956 except those stated above.
- v) On the basis of written representations from the Directors, taken on record by the Board of Directors, none of the Directors are disqualified as on 31st March 2002 from being appointed as a Director under Section 274(1)(g) of the Companies Act, 1956.

3. We further report that the aggregate effect of the items mentioned in para 1 above on the Loss for the year and on the Profit and Loss Account, Investment, Sundry Debtors and Net Block and Current Liabilities at the end of the year, to the extent the resultant impact could be determined / quantified / ascertained, namely, by considering the items mentioned in the para 1(i), (ii), (iv) and (v) and without considering wholly the effects of the items mentioned in para 1(iii) and (vi) being not ascertainable / quantified / determinable, would be as follows:

Further, as required by the Manufacturing and Other Companies (Auditor's Report) Order 1988 issued by the Company Law Board in terms of Section 227(4A) of the Companies Act, 1956 and on the basis of the information and explanations given to us and such checks as we considered appropriate, we report that:
- The records of fixed assets maintained by the Company are incomplete except at the Feeds Division. Assets have not been physically verified during the year and therefore the discrepancies cannot be ascertained.

 - As per the information and explanations given to us the discrepancy between physical stocks and book records noticed on detailed physical verification was not material compared to the stocks being carried and has been written off.
 - Subject to the comments in para 1 above and the valuation of finished and semi-finished goods in the manner as stated in Note B:9, which method is not in accordance with the requirements of Accounting Standard - 2, in our opinion and on the basis of our examination of stock records, we report that the valuation of other raw materials is fair and proper and is in accordance with the normally accepted accounting principles and on the same basis as in the earlier year.
 - The register required to be maintained under section 301 of the Companies Act, 1956 is not updated. We are informed that the Company has obtained loan from companies required to be listed in the register to be maintained under section 301 of the Companies Act, 1956. In our opinion the rate of interest and other terms and conditions are prima facie not prejudicial to the interest of the Company.
