### OPERATIONS:

During the year under review the net revenue showed a decline of around 9% due to adverse market conditions impacted by sluggishness in the economy. Though it affected the economy as a whole, the impact on automobile industry was severe, particularly in the Commercial Vehicles . Barring the tractor segment, all other segments of the market were affected resulting in reduction in demand.

The consequential effect on the Company was under utilisation of capacity and with increased input costs, the results were affected. Effective steps were taken to contain and minimise the impact through control measures on material and energy costs.

Emphasis on exports and diversifying the product range should show results in the coming year.

### DIVIDEND:

Your Directors recommend a Dividend of ₹ 7/- per share, (Previous Year: ₹ 9/- per share) on the Paid-up capital for the year ended 31-03-2014.

### DIRECTORS' RESPONSIBILITY STATEMENT:

Statement under Section 217(2AA) of the Companies Act, 1956:

- The applicable accounting standards had been followed with no material departure.
- The Accounting policies that have been selected have been applied consistently and the judgments and estimates based on them are prudent and reasonable to give a true and fair view of the state of the affairs of the company as on 31-03-2014 and of the profit for the year ended on that date.
- Proper and sufficient care have been taken for maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities.
- The Accounts have been prepared on a going concern basis.

## **MANAGEMENT DISCUSSION AND ANALYSIS**

### **INDUSTRY STRUCTURE AND DEVELOPMENT:**

Even though the economic growth slowed down significantly, India continues to be a major hub for the manufacturing of cars and vehicles and the auto component industry would continue to see a satisfactory growth in the years to come. The presence of multi-national companies in India highlight the opportunities available in our country. Their entry have already brought newer technologies in the area of material and manufacturing and continuous improvement to quality and reliability has to be a strong focus for the Company. The opportunities available for the component suppliers to cater to the domestic and export markets are increasing significantly.

### **OPPORTUNITIES AND THREATS:**

Your Company has positioned itself to meet the quality parameters for new generation of vehicles conforming to Euro and other norms and to meet the specific requirements of OEMs. The issues of rising fuel prices, energy costs and other input increases has to be effectively controlled in order to remain competitive in pricing and service. Well established manufacturers with strengths in materials in our Industry will continue to be effectively addressed.

### **OUTLOOK:**

The outlook for the year appears to be better than previous year in both domestic and global markets. However, the recovery is expected to be gradual more towards the later half of the year.

### **INTERNAL CONTROL SYSTEM:**

The Company maintains adequate internal control systems and the internal audit is handled by M/s. Fraser & Ross, Chartered Accountants.

### **FINANCIAL PERFORMANCE:**

The management of both short term and long term financial assets is expected to be satisfactory with overall measures taken by the Company. The support coming from the Company's treasury operations and the planned capital expenditure would result in improved financial performance of the Company.

### **HUMAN RESOURCES AND INDUSTRIAL RELATIONS:**

During the year under review, the industrial relations in the company were cordial. The company's resource base in terms of personnel at all levels is fully engaged towards higher productivity and active participation in quality upgradation movements. The average number of employees of the company was 445 during the year.
