Operations :

The Automotive Industry continued to post differential performances with the heavy and medium commercial vehicle segments recording negative growth during the year.

The after-market sales is expected to improve in the current year. Market conditions in Europe and South America impacted the export of our products.

Despite the operating conditions being difficult, the Company was able to maintain the overall sale for the year and the improved performance in other market segments enabled the Company to maintain a reasonable level of revenue from operations compared to previous year. The damage to the assets due to cyclone had adverse effect on profit.

The Company has taken steps to improve the revenue by sale of new products, powder and strips. The ongoing efforts to reduce the cost of manufacture and its impact coupled with reduction in fixed overheads would be beneficial to the Company in the current year.

The market indicators are positive for demand in crucial segments during the current year despite the challenges which are expected during the implementation of indirect tax reforms announced by the Government.

Dividend:

Your Directors recommend a dividend of Rs.7.50 per share (previous year: Rs.7.50 per share) on the paid up capital for the financial year ended 31st March 2017 absorbing Rs 268.88 lacs. The payment of dividend is subject to the approval of shareholders at the ensuing Annual General Meeting.

Reserves:

Your Directors have recommended transfer of Rs 200 lacs to general reserve for the financial year ended 31st March 2017 as in the previous year increasing the total general reserves to Rs 13700 lacs. The other reserves representing other comprehensive income consequent to adoption of Ind As stands at Rs 1737.54 lacs as at 31.3.2017.

Consolidated Financial Statements:
