**Explanatory Statement under Section 173 (2) of the Companies Act, 1956.**  
**Item No. 6**

Mr. Ramkrishna Moogimane was appointed as an Additional Director of the Company by the Board of Directors at their meeting held on 23<sup>rd</sup> October, 2008 under Section 260 of the Companies Act, 1956 read with Article 85, 85A and 89 and he would hold office upto the date of this Annual General Meeting. The Company has received a notice from a member signifying his intention to propose the appointment of Mr. Ramkrishna Moogimane as Director of the Company liable to retire by rotation at the ensuing Annual General Meeting. The said notice is accompanied by a deposit of Rs. 500 as required by law.

Mr. Ramkrishna Moogimane , an M.A, LL.B from Bombay University , is a veteran banker. He joined State Bank of India as direct officer and worked for a little over 20 years in various capacities and assignments covering both line and staff, domestic and international including merchant banking. He also had a 4 year stint as Head of Credit and Operations at the Tokyo branch of the Bank. Later on, he took over as G. M and C.E.O of a Middle Eastern Bank for its India and Srilanka operations and following that as President & C.O.O. of a new generation private sector bank. The last executive assignment held by him was as a Group Treasurer of a reputed Industrial Group of India. He has been a financial consultant /advisor and is on the Board of other Companies. Besides being a Director of the Company, he is also Director in Mercator Lines Limited, ST. Gobain Securit India Limited and Summit Securities Limited.

Your Directors recommend appointment of Mr. Ramkrishna Moogimane as Director of the Company.

None of the Directors is in any way concerned or interested in this resolution except Mr. Ramkrishna Moogimane to the extent of his appointment.

**Item No. 7**

Ms. Nidhi Binani was appointed as an Additional Director of the Company by the Board of Directors at their meeting held on 23<sup>rd</sup> April, 2009 under Section 260 of the Companies Act, 1956 read with Article 85, 85A and 89 and she would hold office upto the date of this Annual General Meeting. The Company has received a notice from a member signifying his intention to propose the appointment of Ms. Nidhi Binani as Director of the Company liable to retire by rotation at the ensuing Annual General Meeting. The said notice is accompanied by a deposit of Rs. 500 as required by law.

Ms. Nidhi Binani, aged 24 years, is B.A with specialization in Economics from St. Xavier's College, Mumbai. During her graduation period she has prepared project report on issues relating to labour migration within India and various steps taken by Government and NGO's to improve the condition of migrant workers, quota removal on imports of textiles, a market research study on the popularity and knowledge relating to mediclaim policies. She has also attended various investment workshops on the Stock Market that covered important aspects such as capital market, mutual funds, IPO's, derivatives and index futures etc. She is a promoter non executive director.

In the last two years, Ms. Nidhi Binani has been deeply involved in the structuring of the international operations of the group and has been coordinating the Cement marketing from the Corporate office. In the process she has acquired valuable experience in the operations of the group.

Besides being a Director of the Company, she is also Director in Binani Metals Limited and Binani Industries Limited.

Your Directors recommend appointment of Ms. Nidhi Binani as Director of the Company.

None of the Directors is in any way concerned or interested in this resolution except Ms. Nidhi Binani and Mr. Braj Binani to the extent of her appointment.

**Item No. 8 :**

Mr. P. Acharya was appointed as an Additional Director of the Company by the Board of Directors at their Meeting held on 23<sup>rd</sup> October, 2008 under Section 260 of the Companies Act, 1956 read with Article 85, 85A and 89 and he would hold office upto the date of this Annual General Meeting. The Company has received a notice from a member signifying his intention to propose the appointment of Mr. P. Acharya as Director of the Company liable to retire by rotation at the ensuing Annual General Meeting. The said notice is accompanied by a deposit of Rs. 500 as required by law.

Mr. P. Acharya has also been appointed as Whole-time Director of the Company for the period from 1<sup>st</sup> January, 2009 to 28<sup>th</sup> February, 2012.

Mr. P. Acharya, aged about 56 years, is a Mechanical Engineer from M.B.M. Engineering College, University of Jodhpur. Mr. P. Acharya, has more than 32 years experience. He has worked in cement industries in organisations such as Dalmia Cement ( Bharat ) Limited as Executive Director, Senior Vice President ( Tech ) with Gujarat Ambuja Cement Limited and in various managerial capacities in Lakshmi Cement Limited, Manikgarh Cement Limited, Udaipur Cement Limited etc.

Considering his long experience, the remuneration proposed to be paid to Mr. P. Acharya is comparable with the prevailing market rate and commensurate with his practical experience, professional qualifications and technical competence.

The following are the details of the Remuneration and perquisites payable to Mr. P. Acharya as Wholetime Director of the Company which was duly recommended by the Remuneration Committee and the Board of Directors of the Company.

## DIRECTORS' REPORT

**Dear Shareholders,**

Your Directors have pleasure in presenting the Thirteenth Annual Report of the Company along with the Audited Accounts for the financial year ended 31st March, 2009.

### FINANCIAL RESULTS

The financial results for the year ended 31st March, 2009 are summarised below:

	2008-09	2007-08	Rs. in Lakhs Increase %
Net Sales and Other Income	150270	99181	52%
Operating Costs	119631	64483	
EBIDTA	30639	34698	-12%
Interest & Financial charges	7152	4647	
Cash Profit	23487	30051	-22%
Depreciation and Amortisation	8031	5567	
Profit before Tax	15456	24484	-37%
Profit after Tax	10867	17582	-38%

### DIVIDEND

Considering the performance of your Company and the future expansion plans, your Directors recommend a Dividend of 21% i.e Rupees Two and paise Ten only per equity share of Rs. 10/- each.

### OPERATIONAL PERFORMANCE

Your Company during the year 2008-09 has achieved highest production since its inception. During the year, the Company produced 42.92 lakhs MT and sold 42.43 lakhs MT of cement as against 29.58 lakhs MT and 29.61 lakhs MT respectively in the previous year. This increase in production is mainly contributed by the full years production of the new unit commissioned in the previous year at Binanigram and that of Grinding unit at Neem Ka Thana which commenced commercial operations from 1st September, 08.

Consequently the Company has also achieved its highest Sales ever. The net sales for the year under review rose to Rs. 1,496 crores as compared to Rs. 979 crores in the previous year registering a growth of 53%. In order to tap the demand potential of the far off market the Company has started the marketing of the cement in Maharashtra and West Bengal during the year 2008-09.

However, in the backdrop of the global economic turmoil which effected the Indian economic scenario your Company could not remain insulated from the market forces. During the second and third quarters of the financial year, the profitability of the Company was adversely affected due to the substantial increase in the cost of imported coal; a major cost component. With the subsequent dropping of international prices of Coal, the fourth quarter of the financial year showed a far better financial performance. Inspite of this since the adverse impact of the earlier cost increases could not be passed on to consumers due to market forces, the net profit before tax during the year 2008-09 has been lower by 37% over the previous year.

The Cement Production and Power generation details are as under:-

Production	2008-09	2007-08
Cement (Lakhs MT)	42.92	29.58
Clinker ( Lakhs MT)	41.73	28.80
Power Generation - (lakhs kWh)	1876.39	1511.55

### INVESTMENTS IN OVERSEAS COMPANIES

During the year under review, the Company has invested in 100 % of the paid up Equity Share Capital of Murari Holdings Limited, a special purpose vehicle registered in British Virgin Islands for holding 51% of the beneficial interest in the paid up Share Capital of Binani Cement LLC in Dubai

### PROJECT OVERVIEW :

#### Binanigram Plant, Dist Sirohi

During the year 2008-09 Dry fly ash handling system for cement mills was erected and commissioned, which is a single location unloading system of dry fly ash from tankers as well as from open trucks and also provided an option of producing PPC in recently commissioned Cement Mill.

Expansion of Railway yard by addition of railway line no. 4 for material loading in wagons was also completed during the year.

With a aim to conserve the environment, as a part of global CDM project, we have targeted to reduce CO2 emission by reducing 5% of total coal consumption for producing clinker by using alternate fuel and for which the Alternate fuel handling system was commissioned during the year.

Erection of the first 22.3 MW captive power plant was completed in March, 2008 and the second 22.3 MW Captive power plant is in progress and is expected to be completed by the end of May, 2009 with full capacity power generation by the end of August, 2009. These power plants are Air Cooled and will substantially reduce the requirement of scarce water resources at our disposal.

#### Cement grinding unit - Neem ka Thana

At Neem Ka Thana grinding unit balance work of railway siding and 132 KVA power line is scheduled to be completed by the end of June, 2009 and full capacity of the mill output can be achieved thereafter.

## **FUTURE PLANS**

The Company has planned to increase its cement manufacturing capacity to 6.25 million tons per annum by installation of the 4th cement grinding mill and packing plant along with truck loaders at Binanigram which is expected to be commissioned by December, 2009. The Company is also planning for de-bottlenecking of Kiln-2 line by enhancing the capacity of Preheater fans which shall increase the production of clinker and also enable the use of pet coke therein. To match this increased clinker production the up-gradation of Unit-2 Raw Mill by providing in-line pre-crushing system for reduction of feed size and modification of separator and other auxiliaries is also proposed.

The Government of India allocated the lignite mines on 7th February, 2007 to the Company as captive use for power generation. The Mining Lease application is in process with the State/Central government along with the approval of mining Plan. The projected schedule for completion of the project is March, 2010 at a cost of Rs. 100 crore.

Expansion of Dubai plant capacity is already under way and is expected to be completed by June, 2009. The Company has signed an MOU with the Government of Gujarat for facilitation of approvals, allocation of limestone mines etc for the greenfield Cement plant of a annual 2.5 million tones Clinker /Cement production capacity for which financial closure has already been done. The project is expected to be commissioned by mid 2011. The Company also proposes to expand the capacity of Shandong Binani Rongan Cement Company from the present level of 0.5 million metric tons per annum by further 2.5 million tons per annum which is expected to be commissioned in first half of 2011.

## **MANAGEMENT DISCUSSION AND ANALYSIS**

Pursuant to Clause 49 of the Listing Agreement, a Management Discussion and Analysis is annexed to this report.

## **CORPORATE GOVERNANCE**

Your Company is committed to maintain the good Corporate Governance practices. Pursuant to Clause 49 of the Listing Agreement with the Stock Exchange, a separate section on Corporate Governance together with a certificate from the Company's Auditors confirming compliance is set out in the Annexure C and D forming part of this report. Further a declaration on the Code of Conduct signed by the Wholtime Director of the Company is given as Annexure E.

## **AUDIT COMMITTEE**

The Company has complied with the requirements of Section 292A of the Companies Act, 1956 and Clause 49 of the Listing Agreement. The Committee comprises of 3 independent directors and one non executive director. The details of same are provided in the Corporate Governance Report.

## **BOARD OF DIRECTORS**

In accordance with Article 100 of the Articles of Association of the Company, Mr. Braj Binani and Mr. M. K. Chattopadhyaya retire by rotation and being eligible, offer themselves for reappointment.

Mr. Ramakrishna Moogimane, Mr. P. Acharya and Miss Nidhi Binani were appointed as Additional Directors of the Company at the Meeting of the Board of Directors of the Company held on 23rd October, 2008 and 23rd April, 2009 respectively . In accordance with the provisions of the Companies Act, 1956 they would hold office of Director upto the date of this Annual General Meeting. **By Order of the Board  
For Binani Cement Limited**

**Braj Binani  
Chairman**

Place : Mumbai  
Date : 23rd April 2009

**ANNEXURE- A TO THE DIRECTOR'S REPORT FOR THE YEAR ENDED 31ST MARCH, 2009  
PARTICULARS UNDER SECTION 217(1)(e) OF THE COMPANIES ACT, 1956**

**[A]. CONSERVATION OF ENERGY**

**[a] Energy conservation measures taken**

**CEMENT PLANT**

1. Installed Compact fluorescent lamp (CFL) at Public locations and residences.
2. Installed solar water heaters at Colony Mess and Guest House.
3. Installed Automatic Power factor Controller to control power factor on LT side.
4. Cement mills slide shoes lubrication pumps - rewinded motors replaced with energy efficient motors.
5. Installed water spray system in kiln 2 down comer duct to reduce gas volume handling on pre heater fans resulting in increase of production.
6. Installed separate Alternate fuel handling system to increase utilization of alternate fuel.
7. Optimize running hours of Bag house transport system in kiln 1 & 2 with reverse air fan operation.
8. Installed Dry fly ash feeding system- Sub system to utilize more open truck fly ash to produce PPC resulting in reduction in specific power of compressors.
9. In packing plant, Rake loading time was reduced after optimize use of and modification in Wagon loading system resulting in reduction of specific power.
10. Jet pulse filters of Raw Mill 2 & Coal Mill 2 taken in sequence mode to avoid idle running hours of drives.
11. To reduce downtime and easy fault finding of kiln 1 main drive and Cooler grates drives panel upgraded with DCS500 system.

**THERMAL POWER PLANT**

1. To decrease downtime of CPP2, bed ash cooler modified with bottom hopper discharge design resulting in bad material draining from furnace after cooling.
2. Modification made in Coal chain feeder drives to avoid jamming of chain feeder while feeding coal in Boiler of CPP2.

**Water Conservation measures Taken**

1. Two injection wells constructed in colony to harvest entire rooftop water.
2. Construction of 4 nos. of water harvesting structures in Amli & Thandiberi Mines.
3. Water flow meters installed at various locations of plant to monitor water consumption.

**[b] Additional investment and proposals, if any, being implemented for reduction of consumption of energy.**

**Cement plant**

1. Replacement of cooling water pumps with energy efficient pumps.
2. Provision of increase of production of Raw mill 2 by installing secondary crusher or VFD at main motor to increase speed of table.
3. Replacement of higher capacity preheater fans in Kiln 2 to meet clinker production/ utilize pet coke.
4. Replacement of 70 W Street Lights with CFL to reduce energy consumption and increase the illumination.
5. Installation of Power Boss in the motors with variable load in Belt conveyors of Raw material Feeding for conservation of energy.
6. Installation of power saving scheme in Street Lights in colony after midnight.
7. Installation of High tension capacitors in the main incomer and load centre for improving power factor
8. Up gradation of Silo feed Bucket elevator of Cement mill 2 to higher capacity.
9. To study the feasibility of Cement Mill 3 optimization by shifting intermediate diaphragm.

**Measures to improve efficiency-**

1. Installation of grinding media loading hoist at cement mill.
2. Installation of vacuum cleaning system at packing plant.
3. Development of substitutes for imported and original equipment spares to reduce spares cost & dependability on OEMs.
4. Installation of fire resistant belt conveyors for alternate fuel feeding to eliminate fire hazards.

**[c] Impact of the measures at A) and B) above for reduction of energy consumption and consequent impact on the cost of production of goods.**

**Cement Plant :**

Due to various energy conservation measures, there was saving in power & fuel consumption.

**Thermal Power Plant :**

Due to modification in CPP-2, running of the power plant improved resulting in less internal energy consumption.

**[d] Total energy consumption and Energy consumption per unit of Production:**

Please refer Form A attached

**[B] TECHNOLOGY ABSORPTION**

a. TECHNOLOGY ABSORPTION – ADAPTATION AND INNOVATION

Not Applicable

b. TECHNOLOGY ABSORPTION – RESEARCH & DEVELOPMENT

Not Applicable

**[C] FOREIGN EXCHANGE EARNINGS AND OUTGO :**

During the year the Company has exported Clinker to Dubai. The Company is exploring further avenues to increase the Exports in the future years. There has been no exports of Cement during the year under review since the prices in the domestic market are more remunerative than exports. Further there was a ban on Cement exports imposed by the Government of India and hence no export was possible during period of ban.

<b>a. Foreign Exchange Earnings</b>	<b>Rs. In Lakhs</b>
- Exports	Rs. 2,611.83
- Sale of Certified Emission Reduction	Rs. 719.74
<b>b. Foreign Exchange Outgo</b>	<b>Rs. In Lakhs</b>
- Loan repayment	Rs. 589.78
- Coal	Rs. 17,632.27
- Stores & Spares	Rs. 1,704.76
- Interest	Rs. 385.37
- Other Expenses	Rs. 195.18
- Capital Expenses	Rs. 1,568.95
