20. In accordance with the provisions of the Income Tax Act, 1961 as amended by and read with the provisions of the Finance Acts, 2020 and 2021 dividend declared and paid by the Company after April 1, 2020, is taxable in the hands of shareholders. The Company is required to deduct the tax at source ("TDS") on the distribution of dividend income to its shareholders at the applicable rates. The rate for deducting TDS may vary depending on the residential status of the shareholder and the documents submitted to the Company in accordance with the provisions of the Income Tax Act 1961. Certain category of shareholders such as Mutual Funds and Insurance Companies are exempted while for other category like Foreign Portfolio Investor tax has to be deducted at 20% (plus surcharge and cess) or at a beneficial tax rate applicable under Double Taxation Avoidance Agreement (DTAA).
21. Companies require certain categories of shareholders to submit few details and required documents in order to determine the applicable rate for TDS. Say for example in respect of shareholders in category of Mutual Funds, Insurance companies, etc. companies seek certain set of documents like PAN, registration certificate, self-declaration, etc. in order to determine TDS rates. These details and documents are required to be provided by shareholders to every such company who declare dividends. Generally, in respect of shareholders like Mutual Funds, Insurance companies, Foreign Portfolio Investors, etc. these details and documents are provide by their custodian on behalf of shareholders to every such company which is declaring dividend.
22. In order to make it convenient for stakeholders, NSDL as a part of its issuer services has created a platform for custodians to upload details and documents on behalf of shareholders which can be accessed by issuers through their RTAs. These details and documents of shareholders will be provided to RTA as per the beneficiary position as of the record date, which will facilitate companies in determining the applicable tax rates for TDS. For the convenience of issuers, NSDL has started providing the client level information uploaded by the custodians to all listed companies along with the list beneficial owners downloaded with RTA for dividend payment. You may therefore consider the documents shared by the custodians for computing the withholding tax on dividend paid.
23. 'The Resident Non-Individual Members i.e. Insurance companies, Mutual Funds and Alternative Investment Fund (AIF) established in India and Non-Resident Non-Individual Members i.e. Foreign Institutional Investors and Foreign Portfolio Investors may alternatively submit the relevant forms / declarations / documents through their respective custodian who is registered on NSDL platform, on or before the aforesaid timelines.'
24. This will provide an alternative to custodians to upload documents of their mutual fund/insurance companies/ FPI clients if already not done on NSDL platform, which will be auto downloaded to RTAs as

per the beneficiary positions as of a record date without a need for Issuer / RTAs to track several emails received from custodians.
