MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY OUTLOOK

Your Company is engaged in the business of Pharmaceuticals, Bulk Drug & Formulation. Indian Pharmaceutical industry is growing at the rate of about 9% in the recent past. The growth is not spectacular by itself but can be considered a good growth on the background of sluggish growth of other industries. Indian pharmaceutical industry displays certain characteristics such as growth driven by new products, resurgence of Indian pharmaceutical companies, which are showing a stronger growth compared to the multinational pharmaceutical companies.

BUSINESS STRATEGY

Your company had always endeavored to optimize shareholder value but due to various factors, the company has not been able to sustain its profitable working.

RISK CONCERN

Speedy implementation of reforms in the area of intellectual property rights to meet WTO commitments is an area of potential concern. Introduction of research based new products and the growth initiatives by pharma Companies are dependent on the successful alignment of Indian policies with global developments.

Further the serious problems created by Government recently for SSI and contract manufacturing unit through MRP based central Excise Systems.

INTERNAL CONTROL AND ADEQUACY

The Company has instituted adequate internal control procedure commensurate with the nature of its business and size of its operations.

DEVELOPMENT IN HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Industrial relations of the company continues to remain harmonious in spite of grave financial position resulting into delayed payment.

FINANCIAL REVIEW

In view of limited scale of operations and accumulated business losses as mentioned Director's report the same are not repeated again in this Chapter.

CAUTIONARY STATEMENT

Estimates and expectation stated in this management discussion and analysis may be "forward looking" statement with in the meaning of applicable securities laws and regulations, actual results could differ materially from the expressed or implied important factors that could make a difference to your company operation include economic conditions affecting demand / supply and price conditions in the Domestic and International Markets, change in the Government, regulations, tax laws, other statutes and other incidental factors.
