The company has proposed to rationalize its work force for savings in wage bill, which has been well accepted by the employees. The company has made adequate provisions for benefits payable to such employees. The company has also proposed to recruit the

required workers /staff on contract basis with productivity linked considerations.

FUTURE PROSPECTS

The Liberalization policies announced by the Government of our Country have already started showing their impact. It has expected that in consonance to these policies the industry as a whole would face certain difficulties during the first 2 -3 years of structural adjustment to new environment. But this phase of difficulty is now almost over and the efficient and cost effective units will continue to survive in the fierce market. The demand for the products which was suppressed in the past few decades will grow due to the expanding industrial base which will bring out products. The standard of living and purchasing power of a general citizen will increase due to new employment opportunities so created.

It is believed that as a result of the considerable number of incentives given by the Government to the hotel industry mainly because due to slums in this sector in the last few years, the next few decades would be an era of prosperity for this industry. The growth and performance of our sector will hamper quite a lot but now due to the abovesaid incentives and the growing faith of the international market in the hotel sector, the future performance of our sector & company is expected to improve considerably in the coming years.

Our Company believes that success of the company depends on commitment to total Customer Satisfaction and continued excellence in quality and services with innovative efforts. During the year the company was accredited with ISO 9001:2000 certificate. It will boost the image of quality products being manufactured by the company in domestic and overseas markets.

PROCEEDINGS BEFORE BIFR

The Company in company in compliance of BIFR directives in hearing held on 26.09.2005, submitted comprehensive proposal for rehabilitation to Operating Agency and other concerned agencies. The company taking present state of affairs formulated broad strategies of rehabilitation which inter alia includes reduction of debt and trade creditors to sustainable level, conversion of unsecured loans taken from companies belonging to promoter group into equity, de-rating of equity shares, rationalization of work force by implementing VRS, acquiring additional and machineries for de-bottlenecking and augmenting resources for meeting working capital requirements. The company to meet the funds requirement has proposed to raise additional funds from promoters besides disposal of surplus land at factory.

The OA after examining the rehabilitation proposal and discussions in joint meeting held on 05.06.2007 found the same to be support worthy. The BIFR in hearing held on 14.06.2007 directed to modify and resubmit the same.

Your Directors are confident that your Company with the implementation of improved operations, cost cutting measures and innovative products, the business expects to improve its position in the growing market in the times ahead.
