OVERALL PERFORMANCE AND OUTLOOK

Sales during the year under review at Rs. 251.07 crores were marginally lower than the previous year (Rs.271.13 crores) mainly due to discontinuation of marketing of toys, manufacture and sale of moulded components and strategic realignment of Ergonomics business. The profit after tax at Rs. 6.05 crores was lower compared to previous year (Rs. 7.56 crores) due to additional expenditure incurred by the Company on advertisement and publicity as a part of brand building exercise.

LUGGAGE : The Company has maintained its leadership position in the luggage business in spite of increased competition. This was made possible through sustained brand building, improved efficiencies, innovative marketing programmes and customer relations supported by introduction of new products both in hard and soft luggage segments. The VIP brand has been recognised as India's 7th most admired brand in an independent survey.

BLOWPLAST ERGONOMICS : In response to market needs the Company has during the year undertaken a strategic realignment of the Office Furniture Systems business.
