THE BOMBAY DYEING AND MANUFACTURING COMPANY LIMITED

ANNEXURE TO NOTICE

As required by Section 173 of the Companies Act, 1956, the following Explanatory Statement sets out all material facts relating to the Special Business mentioned under Items 9 to 12 of the accompanying Notice dated 31st May, 1999.

Item 9:

Rear Admiral M. M. Chopra (Retd.) was appointed by the Board of Directors with effect from 1st October, 1998 as an Additional Director in terms of Section 260 of the Companies Act, 1956, and Article 117 of the Company's Articles of Association and holds office as Director only up to the date of the forthcoming Annual General Meeting but he is eligible for reappointment. As required by Section 257 of the Companies Act, 1956, a Notice has been received from a member signifying his intention to propose Rear Admiral M. M. Chopra (Retd.) as Director of the Company at the forthcoming Annual General Meeting. Rear Admiral M. M. Chopra (Retd.) was an Executive Director of the Company for over four years from 29th August, 1994 to 30th September, 1998 and prior to this for over six years was one of its Senior Vice Presidents.

The Directors recommend the Ordinary Resolution at Item 9 of the accompanying Notice for approval by the Members.

None of the Directors other than Rear Admiral M. M. Chopra (Retd.) may be considered to be concerned or interested in the said Resolution.

Item 10:

At the 114th Annual General Meeting of the Company held on 1st August, 1994, the members had passed a Special Resolution approving the renewal of the terms of remuneration by way of commission related to the net profits of the Company payable to the Directors other than Managing or Wholetime Directors for a further period of five years from 1st April, 1995 subject to the overall managerial remuneration laid down in Sections 198 and 309 of the Companies Act, 1956. The aforesaid Resolution covers the five financial years of the Company beginning with 1st April, 1995. The approval conveyed by the aforesaid Resolution will expire at the end of the current financial year i.e. on 31st March, 2000.

The second part of the Special Resolution seeks to cover a situation if for some reason the Company during the aforesaid period of five financial years commencing from 1st April, 2000 does not have a Managing or Wholetime Director. In such an event, it is proposed to pay the Directors of the Company such remuneration by way of commission related to the net profits of the Company as may be decided by the Board of Directors for the then residual unexpired part of the said period of five years but not exceeding in the aggregate 3% of the net profits of the Company. The proportion and manner of such payment and distribution will be as the Board of Directors may from time to time decide.

The Special Resolution is necessary having regard to the provisions of Section 309(4) of the Companies Act, 1956. The Directors, therefore, recommend the Special Resolution at Item 10 of the accompanying Notice for approval by the Members.

All the Directors of the Company other than the Executive Directors, Mr. S. S. Kelkar, Mr. P. V. Kuppuswamy and Mr. P. Malik may be considered to be concerned or interested in the said Resolution.

Items 11 & 12:

In the process of restructuring its textile business, the Company has identified manufacturing/ processing facilities which either suffer from high operating costs or lack business synergy with the main operations. Consequently, the return on capital employed is low and disproportionate senior

ANNUAL REPORT 1998-99

management time is involved in managing these marginal operations. It is, therefore, proposed to sell, lease, transfer or otherwise dispose of these units in the larger interest of the Company's textile business.

In the year 1979-80, the Company expanded its textile processing capacity by adding a new Processing Unit (with bleaching, dyeing and finishing facilities) in the MIDC Industrial Area at Roha, District Raigad in the State of Maharashtra (hereinafter referred to as "the Roha Processing Plant"). In the recent past, the processing unit has remained substantially under-utilised on account of operational and other reasons. High cost of operations at Roha, particularly the high cost of power coupled with under-utilised capacity has resulted in the unit being unable to provide a reasonable return on the capital employed in it.

In the year 1980-81, the Company acquired a second hand Spinning Unit with 25,000 spindles at Jamnagar in the State of Gujarat (hereinafter referred to as "the Jamnagar Spinning Plant"). Presently the yarn produced in the Jamnagar plant is not captively consumed but offered for merchant sale. Therefore, a small stand-alone spinning plant does not offer any business synergy with the rest of the textile operations of the Company. In view of lower utilisation, high costs and lower yarn sales prices, the Jamnagar Spinning Plant does not add any value in terms of productivity or profitability. The high cost of operation is preventing any modernisation of the plant.

In the above circumstances, the Company proposes to sell, lease, transfer or otherwise dispose of its Roha Processing Plant and Jamnagar Spinning Plant subject, to the necessary approvals and sanctions.

Having due regard to the Company's investments in the Roha Processing Plant and the Jamnagar Spinning Plant and also in view of the situation prevailing in the textile industry, it is deemed advisable to sell, lease, transfer or otherwise dispose of the aforesaid undertakings of the Company.

As the members are aware, Section 293(1)(a) of the Companies Act, 1956, provides that the Board of Directors shall not, except with the consent of the Company in general meeting sell, lease or otherwise dispose of the whole or substantially the whole of any undertaking of the Company. The Resolutions as set out at Items 11 and 12 of the Notice are, therefore, placed for approval of the Members. The Directors recommend these Ordinary Resolutions for approval by the Members.

None of the Directors of the Company may be considered to be concerned or interested in the said Resolutions.

By Order of the Board of Directors, FOR THE BOMBAY DYEING & MFG. CO. LTD.
