MANAGING DIRECTOR'S SPEECH

My Dear Stakeholders,

To create value for everybody is a belief well assimilated in the DNA of Bharat Wire Ropes Limited. "Bharat Wire Ropes Limited (BWRL) can be personified like a mirror, it reflects the meaning of its name, culture of India & its core values, relentless pursuit of perfection, warm & hospitable nature of our people, fearless leadership & a sense of social conscience."

Following the grand success of our IPO at the beginning of this year, which saw us being oversubscribed over two times in Retail and HNI category, we are well on course towards realizing our stated goals-kick-starting our Greenfield Project in MIDC, Chalisgaon, Maharashtra, with a total capacity of 66,000 MTPA and meeting other corporate expenses. The Greenfield project making use of state of the art machinery procured from world leaders across the globe will help us cater to the specialized wire rope requirements of both the domestic as well as the international market.

Make in India and other government-initiated reforms look set to transform India into one of the leading manufacturing destinations in the world. The Hon'ble Prime Minister of India, Shri. Narendra Modi, has said that a strong Democracy, Demography and Demand are major growth drivers for any country. India is lucky to possess all; and coupled with a skilled workforce, a robust legal and IPR regime, and a steadfast commitment to calibrated liberalization, the manufacturing sector in India may well enter a new era of global competitiveness where it will be pitched against world leading companies.

Over the years, we at BWRL have constantly endeavored to strengthen our product portfolio and develop capabilities at every step to manufacture a wider range of products adhering to the highest standards of quality. Our relentless efforts have helped position ourselves as the Company of choice for the wire rope needs of all our clients. A diversified client base that is spread across India has reduced our dependency on any single industry's contribution to our overall revenue. We have adopted the strategy of "Partial Backward Integration", necessitating the purchase of Wire Rods from reputed companies-this constitutes the first step in the raw material procurement process. The change has enabled us to have better control over Quality & Cost, streamlining Inventory and be in a position to provide timely service.

The profit after tax for the financial year 2015-16 was in line with expectations. However, there has been a downfall due to reduction in prices of final products and reduced raw material prices, although we do expect the scenario to improve towards the end of current year itself. Meeting the growing technology demands of the market is a challenge which BWRL is well-equipped to meet with its range of cost effective and technically advanced products that adhere to international standards. BWRL plans to cater to the needs of various customers belonging to

different geographies by following the direct market route for larger consumers and by utilizing zone-wise local distributors to serve the demands of the wide market. Besides enhancing our presence in our existing business segment, we would also be looking to enter untapped markets that hold vast potential. Our planned foray into countries such as USA, Canada, Brazil, South-East Asia, Singapore, Middle East, Russia, Africa, Europe and Australia will help us make deeper inroads in the international market. Our multi-pronged strategy would allow us to increase revenue while at the same time shielding us from risks arising out of price volatility and fluctuations in unstable regions. Our marketing and sales network is widely spread across India while also boasting of an international presence evidenced by our participation in highly acclaimed international wire trade fairs.

BWRL, being an Engineering Product Company, Research and Development is what we thrive on. We have procured various sophisticated machinery making use of high-end technology. All of these are already in erection stage and have been optimized for efficient usage. We are also proud to have undertaken initiatives to promote the future leaders of the wire ropes industry. True to our ethos, we believe in nurturing our workforce by providing opportunities for growth, as also operating with a sense of social conscience evidenced by our energy optimization and waste reduction measures.

Lastly, I am delighted to share that we are taking giant strides towards becoming a world-leading Company in the manufacture of wire ropes, strands, slings, etc. Safety is at the core of what we do. We have certifications of approval from reputed agencies such as the Bureau of Indian Standards, RDSO, CORE and IRS to allow us to embark on unhindered production of world-class products from both our existing and upcoming facility. With a constant focus on innovation, we aim to offer the best-in-class value proposition to all our clients.

Our vision to be "World Leading Wire Rope Company" is taking shape & we are moving in that direction. A Strong team, Years of experience, sufficient resources and a Strong Will to achieve is what drives our Company. We at BWRL will strive to improve ourselves at every step in our journey.

Last, but not the least, I take this opportunity to express my sincere gratitude to our Board of Directors, our Management, Employees, our Customers, Suppliers, Bankers and Investors for their continual support to BWRL.

Yours Sincerely,

Murarilal Mittal
Managing Director

The members of the Company at the 28th Annual General Meeting of the Company held on September 30, 2014, had approved the appointment of Mr. Murarilal Mittal as Managing Director of the Company and the terms of remuneration payable to him for a period of three (3) years from August 14, 2014 to August 13, 2017.

Further, the Board of Directors at their meeting held on December 28, 2015, subject to approval of members of the Company, has accorded its approval to revision in the remuneration of Mr. Murarilal Mittal (DIN: 00010689), Managing Director of the Company for his remaining tenure as a Managing Director. The same was approved by the Nomination and Remuneration Committee at its meeting held earlier that day and was recommended to the Board for its approval. The revision in remuneration of Mr. Murarilal Mittal was made with the view to make the same commensurate with his efforts given to and involvement in the Company by way of increasing monthly payment so as to maintain a regular distribution of cash flow.

Since there has been a considerable increase in the duties and responsibilities performed by the Managing Director, the Board of Directors at their meeting held on December 28, 2015, on the recommendations made by the Nomination and Remuneration Committee, has approved the proposal to increase the salary of Mr. Murarilal Mittal, Managing Director from the present ₹ 33,00,000/- per annum to ₹ 80,00,000 per annum with effect from January 1, 2016 for the remaining period of his tenure i.e., upto August 13, 2017. Except for the aforesaid revision in salary, all other terms and conditions of his appointment as the Managing Director of the Company as approved earlier, shall remain unchanged.

As the terms for revision in remuneration proposed above are well in conformity with the relevant provisions of the Companies Act, 2013, read with Schedule V to the said Act, Central Government approval is not necessary for the above revision in remuneration.

Except Mr. Murarilal Mittal and his relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in this resolution set out at item no. 7.
