By an Ordinary Resolution passed at the Annual General Meeting held on 23rd December, 1993 the Board of Directors were allowed to borrow upto a maximum amount of Rs. 50 Crores. The Company may have to resort to long term borrowings from the financial institutions/banks and such borrowings together with the existing borrowings may exceed the said limit of Rs.50 Crores. It is therefore, proposed to increase the borrowing powers of the Directors from the said limit of Rs.50 crores to Rs.100 crores,

Acknowledging the Company's increased responsibility towards social, philanthropic and other causes of public utility your Directors may contribute to any charitable and other funds not directly relating to the business of the Company or the welfare of its employees within the limits as prescribed or stipulated under the provisions of Section 293(1)(e) of the Companies Act, 1956. This resolution is an enabling resolution.

None of the Directors of the Company is, in any way, concerned or interested in this resolution.

#### Item No.13

Buy back of own shares or other securities convertible into equity shares by the Companies is presently not allowed under the

**Bright Brothers Limited*****Brite***

Companies Act, 1956. The Companies Bill, 1997, sought to lay down the operative provisions to regulate the buy back of shares/securities by Companies. The said bill has not yet become the law, it is expected that, in due course of time, the law will be amended to allow such buy back.

It is proposed to pass this enabling resolution so that the Company may buy back shares or other securities and/or from the open market and/or from the lots smaller than market lots of the securities (odd lots) or in other suitable manner subject to necessary enactment in this regard.

The buy back of shares as aforesaid would entail investing of an amount which would not be less than the market value of the shares or other securities giving right to subscribe for shares of the Company and shall be met out of the free reserves and/or the securities premium account and/or out of the proceeds of any issue specifically made for the purpose or from such other sources as may be permitted by law. The shares so bought back shall be dealt with as per then prevailing law/regulation.

The Board is of the opinion that it will be in the best interest of the Company if shareholders approve the said resolution permitting such buy back, so that the Company will be able to implement this resolution once the law is amended.

The resolution, if approved will be operative and given effect to from the applicable date as may be prescribed in this regard.

The approval of the shareholders for such buy back of shares was obtained at the Annual General Meeting of the Company, held on 23rd December, 1994. The above approval was valid till 22nd December, 1995. Based on the provisions of the Companies Bill 1997, resolution to be passed at the ensuing Annual General Meeting will be valid till such time as may be provided by law.

The resolution is an enabling provision aimed at facilitating the Company to buy back its shares as soon as legally permissible.

The Directors recommend the resolution for approval of the shareholders.

Directors of the Company may be treated as concerned or interested in this Resolution to the extent of their shareholding and actual numbers of shares bought back, if any..
