### Explanatory Statement Pursuant to section 173 (2) of the Companies Act, 1956

#### ITEM NO.5

The resolution contained in the business of the Notice relates to a proposal by the Company to create, offer, issue and allot Equity Shares, GDRs, ADRs, SDRs, FCCBs, Convertible Bonds/Debentures and such other securities as stated in the resolution (the "Securities") at such price as may be deemed appropriate by the Board at its absolute discretion including the discretion to determine the categories of Investors to whom the offer, issue and allotment shall be made considering the prevailing market conditions and other relevant factors and wherever necessary in consultation with lead managers, either in foreign currency or equivalent Indian Rupees inclusive of such premium as may be determined by the Board in one or more tranche or tranches. The Company intends to make issue of an aggregate amount not exceeding Rs. 400 Crores or equivalent thereof.

The objects of this issue are to meet expansion, potential acquisitions, long term working capital and capital expenditure requirements of the Company and its subsidiaries, acquisition of companies, businesses and projects, and other general corporate purposes.

The detailed terms and conditions for the offer will be determined by the Board/Issue Committee of the Board in consultation with the Advisors, Lead Managers, Underwriters and such other authority or authorities as may be required to be consulted by the Company considering the prevailing market conditions and in accordance with the applicable provisions of law and other relevant factors.

As the pricing of the offering cannot be decided except at a later stage, it is not possible to state the price or the exact number of Equity Shares to be issued. For reasons aforesaid, an enabling resolution is therefore proposed for consideration of the shareholders to give adequate flexibility and discretion to the Board to finalize the terms of the issue.

The Equity Shares allotted or arising out of conversion of any Securities would be listed. The issue/allotment/conversion would be subject to the availability of regulatory approvals, if any. The conversion of other Specified Securities held by foreign investors, into shares would be subject to the applicable foreign investment cap.

Section 81(1) of the Companies Act, 1956 provides, inter alia, that when it is proposed to increase the issued capital of a company by allotment of further shares, such further shares shall be offered to the existing shareholders of such company in the manner laid down. As the aforesaid resolution provides for or may result in issue of Equity

Shares to persons other than the existing shareholders of the Company, consent of the shareholders is being sought pursuant to Section 81 (1A) and all other applicable provisions, if any, of the Companies Act, 1956 and the SEBI Guidelines.

The Special Resolution as set out above, if passed, will have the effect of allowing the Board to issue and allot Securities to Investors, who may or may not be existing shareholders of the Company in the manner as set out in the resolution. The said resolution also enables the Board to create mortgage/ charge on the property/ assets of the Company in respect of any debt securities offered by the Company.

The Board of Directors recommends the special resolution for your approval.

None of the Directors is concerned or interested in the resolution.

#### ITEM NO.6

The members of the Company, at the Annual General Meeting held on 30th September, 2008, had approved under Section 293(1)(d) of the Companies Act, 1956, borrowings by the Board of Directors in excess of paid-up share capital and its free reserves, subject to maximum outstanding amount at any time not exceeding Rs. 500 Crores only. The Consolidated turnover of the Company as on March 31, 2009 was Rs. 298.60 Cr as against Rs. 380.86 Cr against present consolidated turnover as on March 31, 2010.

The Company could not execute fund raising proposals due to unfavorable market conditions, and meanwhile availed loans/credit facilities from Banks and institutions in the form of term loan, working capital and factoring facilities. The consolidated total secured loans of the company as on March 31, 2010 was Rs. 105 Cr and the sanctioned limits secured by charge creation was Rs. 117.50 Cr. The intended fund raising proposals and further borrowings, if made, would narrow the gap between sanctioned limit and actual utilization of the company.

Your Company has plans to raise further funds to the extent of Rs. 400 Cr by issue of ADR/GDR/SDR/FCCBs/Bond and/or any other such instruments in the forthcoming year either in one or more tranches. Members' approval is also sought for raising funds through issue of such instruments to that limit by resolution in this notice. In accordance with law, by strict interpretation, though the company has obtained specific approvals from the members for issue of securities by way of ADR/GDR/SDR/FCCB/Bonds/other instruments etc., till the

outstanding of such instruments, those could be considered as borrowings for the purpose of Section 293(1) (d) of the Companies Act, 1956.

Since the company has expansion and potential acquisition plans, in order to meet the funds requirements in respect of execution of such plans, the board should empower with adequate borrowing powers as may be required in accordance with law to raise funds in best interests of the company. The present borrowing limits of the Company will not be sufficient to make further borrowings of the Company. Hence, members' approval is sought to increase borrowing limits up to Rs. 600 Cr.

Your Directors recommend the Resolution as set out in the Notice for your approval.

None of the directors is interested or concerned in this resolution.
