Chairman's Message

Mr. V.M.Lakshminarayanan
Chairman & Managing Director

It gives me pleasure to present our Company's Annual Report of 2019-20.

The COVID-19 outbreak from China was declared as a pandemic by World Health Organisation in the last quarter of the financial year 2019-2020, causing a social and economic turbulence.

The macro-economic factors that caused a slowdown in the financial year 2019-2020 will also continue in the financial year 2020-2021. The last quarter of the financial year 2019-20 and first quarter of the financial year 2020-21 was completely dominated by the pandemic and the consequent lockdowns. The country is suffering from COVID-19 which has severely impacted every aspect of our lives and businesses in unprecedented ways. The challenges are unique as COVID-19 induced lockdowns have interrupted the economic activity. So much so, that the GDP growth of the Indian economy is to be around 4.2% for the financial year 2020, and likely to be negative in the financial year 2021. The recent economic stimulus announced by the government of India does have some short term measures to cushion the economy.

Financial year 2019-2020 is under review. In spite of extreme economic challenges of the world and a situation aggravated almost beyond measure by the unprecedented COVID-19 pandemic, our Company's overall performance has improved. With continuous focus, strategy and effective implementation of a turnaround plan, our Company's growth has been on the right track especially in modern trade, e-commerce, innovative products and product mix. The net income

of the Company during the year ended 31st March, 2020 was ₹678.70 crores as against ₹651.98 crores for the year ended 31st March, 2019. The Company made a net profit after tax of ₹3.98 Crores against the net profit of ₹9.57 crores for the previous year ended 31st March, 2019.

The Company has put in plans to improve liquidity, cash flow management, working capital arrangements including collections and receivables from customers. It also has a huge potential in Digital marketing of retail channels and has achieved significant growth in the year 2019-2020. The Company will also focus on minimum alternative plan and strive to strengthen our internal capabilities with safety, producing profitable volumes and pursuing sustainable cost improvements. We will continue to invest in R&D and drive innovations to build value-added products. Hopefully, the Company will atleast meet all the operational challenges especially the ones impacted by COVID-19. New ways will be implemented for new operational models in all areas.

We look ahead towards opportunities and prosperity, I would like to express my sincere appreciation to employees at all levels for their contribution towards the performance of the Company. I would also like to extend my gratitude to our customers, stakeholders, bankers and suppliers for their loyalty and trust in us. I would further like to express sincere appreciation to all shareholders for their continued support.

Yours sincerely,
V.M.Lakshminarayanan
Chairman
