1.1 OPERATING RESULTS

During the year, your Company earned total revenue of Rs. 840.26 crore compared with Rs. 989.09 crore during the previous year, registering a decline of 15% primarily due to a 40% reduction in sale of low margin equipments. The income from Sales and Services is Rs. 820.45 crore as compared to Rs 977.19 crore earned in the last year.

The profit before tax at Rs. 127.67 crore registered an increase of 9% over the previous year mainly on account of improvement in business mix towards more service and international business accompanied by improvement in operating efficiencies. The Company made a provision of tax totalling to Rs. 22.10 crore, inclusive of Fringe Benefit Tax amounting to Rs. 1.62 crore. The Profit after Tax stood at Rs. 105.57 crore registering an increase of 20% over the previous year.

2. DIVIDEND

In view of the improvement in profits of the Company, your Directors recommend for approval of the Members an enhanced dividend at 150% (Rs. 15.00 per equity share) of the paid-up equity share capital as at March 31, 2009.

3. TRANSFER TO RESERVES

The Company proposes to transfer Rs. 10.55 crore to the General Reserve out of the amount available for appropriation, and an amount of Rs. 338.95 crore is proposed to be retained in Profit and Loss Account.

4. BUSINESS OPERATIONS

The business operation of the Company is divided into four Strategic Business Units(SBUs):

4.1. Customer Services (CS)

The CS SBU undertakes activities related to IT infrastructure including infrastructure architecture, design and consulting services; turnkey system integration of large network and data centre infrastructures including supply of associated equipment and software; on-site and remote facilities management of multi-location infrastructures of domestic and international clients.

The CS SBU earned a revenue of Rs. 383.44 crore during the year compared to Rs. 573.55 crore during the previous year. The drop in revenue is attributable to our strategy of defocusing from low margin equipment sale business.

Continued focus on Infrastructure Services enabled the CS SBU to get into deeper engagement with existing customers and win large domestic service deals in facility management, nationwide application rollout and helpdesk services.

4.2 Systems Integration (SI)

The SI SBU undertakes the activities of solution deployment that includes embedded systems, software development, software maintenance and support, turnkey project implementation and systems consultancy. The SI SBU earned revenue of Rs. 312.05 crore during the year compared with Rs. 297.84 crore earned in the previous year.

In the domestic market the SI SBU continues to be a strong player in general insurance sector, defence, securities, transport, games management and e-Governance space. During the year, the SBU won new orders with private insurance companies. CMC has strongly focussed on the private sector for new business and accordingly has steadily built ERP capabilities over the past few years. In the global market, SI SBU won significant new orders in the financial information services sector.

The ITeS SBU extended its reach into additional verticals like media research, insurance, banking, legal, logistics, and publishing domains in the global market with its KPO offerings.

4.4 Education & Training (E&T)

The E&T SBU of the Company offers courses on information technology and allied areas including professional courses, career development courses etc.

The E&T SBU earned a revenue of Rs.44.47 crore compared to Rs.47.27 crore in the previous year. The revenue was lower as the companies reduced outsourcing of induction programmes owing to the downturn trend in international business scenario. E&T SBU continues to be a preferred vendor for a large number of IT and ITES companies both for induction programmes as well as refresher programmes.

5. SPECIAL ECONOMIC ZONE

The Company is setting up of an IT and ITeS Sector specific Special Economic Zone (SEZ), named Synergy Park at its Campus at Gachibowli, Hyderabad. The project is progressing well. Phase I of the project with seating capacity of around 2700 in three ODCs is now fully functional. The Company has spent Rs. 40.19 crore on this project till March 31, 2009.

6. CREDIT RATING

ICRA Limited has carried out a credit rating assessment of the Company both for short term and long term exposures, in compliance with BASEL II norms implemented by Reserve Bank of India for all banking facilities. ICRA has reaffirmed A1+ rating for short term debt instruments up to Rs. 100 crore and LAA rating for long term exposure (both fund based as well as non fund based) for a total amount of Rs. 250 crore.
