ANNEXURE TO DIRECTORS' REPORT

CORPORATE GOVERNANCE:

MANAGEMENT DISCUSSION AND ANALYSIS:

The members are well informed and aware that the Company has recently changed its name from Coastal Trawlers Limited to Coastal Corporation Limited with a view to widen the are of operations and also to commence new line of activity. The changing business philosophy and corporate culture influencing the Board to make a serious thought on commissioning new activities such as exports of oher goods, construction, civil works, Engineering activities, etc which are more viable in the present business sector. It has also been observed that the big-business magnets are also reviewing their present activities and are taking necessary steps for either diversification or expansion at substantial level. The Company has put in all the efforts to go with its diversification programme as explained earlier. So, the Company is in a better shape than ever to fulfill the goals it adopted in the past and expect a dazzling show in the days to come.

INDUSTRY STRUCTURE AND DEVELOPMENT

During the year under report the industry has gone through a tough period affected by the Tsunami hit directly on the sea food activities and aquaculture sector. The Indian coastal line wide through the nation has been seriously and severally facing the major ever set back for the industry and also for the fishermen and farmers of aquaculture. The suspension of fishing and exposure to sea was restricted by various Government agencies including the Seafood Associations affecting the industry at large. Literally the industry has, internally and externally, passed through a tough period. The present sea foods exports business is not encouraging at all due to the natural calamatic threats from time to time all over the world. The recent developments from the Central Government and State Government are only to the extent of financial support in case of contingencies. The participation of Government and other agencies to check and have caution on the natural calamatic threats are still on. The ups and downs in the industry has even kept the demand intact. Your Company has been taking steps to meet and handle any adverse situation to be faced by the industry in the yers to come.

SEGMENTWISE PERFORMANCE

MARKET FOR SHRIMP:

In the year 2004-05 the Shrimp industry continued to remain as most important item of exports fromt the country in terms of value of exprots. Volume wise the Shrimp has acquired a reasonable market as compared to previous year. Your Company has been still facing and struggling for a good shrimp market for its more export opportunities. The marine export market of the country has also touched a remarkable heights during the year under report.
