Letter to Shareholder

Dear Shareholders,

I am sorry to report to shareholders that this year has been one of continuing difficulties for your company. The sale of RVC Towers that I reported to you as being in progress at this time last year eventually fell through when the buyer, having paid a deposit, failed to complete the transaction. The small benefit to the Company in retaining the deposit was far outweighed by the continuing burden of the high interest rate on the Canara Bank mortgage and the very limited rental income the company receives. Canara Bank has agreed to slightly reduce the interest rate effective 1 April 2015 but this will still not be enough to bridge the shortfall in income from tenants. We continue to make strenuous efforts to find tenants at economic rents for vacant areas of the building, and to seek a buyer for the building as a whole, but as yet have had little success in the former, and none with the latter. Were it not for the continuing financial support from the company's major shareholder to help us fund loan interest and capital repayments to Canara Bank the company would have become insolvent during the past year.

Your Board now feels that if a sale of RVC Towers can be achieved we are unlikely to realize any more than is required to settle amounts due to Canara Bank, and so after a sale the company would be left with no rental incomes and therefore no income at all to meet its ongoing staff and administration costs. Unless we can find a buyer for the Company who can attribute some value to the company's listed status and who would be willing to make an offer for the entire share capital, a sale of RVC Towers would most likely trigger the winding up of the company. Although your Board remains actively seeking such a "white Knight" the groups plethora of old legacy potential liabilities, mainly related to taxation, are proving a significant deterrent to any potential buyers.

2. DIVIDEND

The Company and the Group incurred a loss for the year and have accumulated negative reserves as at the year end. The Directors therefore recommend that no dividend be paid in respect of the Financial Year 2014-2015.

3. BUSINESS UPDATE AND OUTLOOK

After the buyer for RVC Towers that was reported last year, failed to complete the transaction the company has been unable to secure an alternative buyer even at a reduced price. Demand for office space in Chennai continues to be weak due mainly to over-supply; whilst Rupee interest rates have continued to be held high both by the RBI and by the RVC mortgagee, who is concerned about the company's continuing ability to settle the interest and capital payments as they fall due, in the absence of sufficient income from rentals. As a result the company's only remaining business, that of letting out the floors of RVC Towers that it owns, has been loss making throughout the year and is totally dependent on continuing financial support from its major shareholder.

The company continues to look for tenants to fill the vacant floors of RVC Towers, and for a buyer of the building. Until it finds a buyer for RVC the shares of the company are not an attractive option for a partner seeking a reverse takeover due to the high loan interest and low rentals on RVC. At the date of this report we have a number of prospective buyers for the building with whom we are in preliminary talks.

The Company has received notice under Section 160 of the Companies Act, 1956 from a member proposing Ms. Vijayapriya as Director and a resolution for her appointment forms part of the Notice.

7. AUDIT RELATED MATTERS

7.1. Audit Committee

In terms of clause 49 of the listing agreement and the provision of Section 177(8) read with Rule 6 of the Companies (Meeting of Board and its Powers) Rules 2014 the company has duly constituted a qualified and independent Audit Committee.

During the period under review, the suggestions put forth by the Audit Committee were duly considered and accepted by the Board of Directors. There were no instances of non-acceptance of such recommendations.

7.2. Statutory Auditors

At the Annual General Meeting of the Company held on 27th November 2014, M/s. Tomy & Francis, Chartered Accountants (Firm Registration Number 010922S) were reappointed as the Statutory Auditors of the Company to hold office until the conclusion of this Annual General Meeting. Since the Company has time up to the year 2017 to comply with the provisions

relating to rotation of auditors as stipulated in Section 139 (2) of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, it has decided to re-appoint the auditors for the financial year 2015-2016.

Accordingly, the appointment of M/s. Tomy and Francis, Chartered Accountants, as statutory auditors of the Company, is placed for approval by the shareholders. In this regard, the Company has received a certificate from the auditors to the effect that if they are reappointed, it would be in accordance with the provisions of Section 141 of the Companies Act, 2013. The Audit committee and the Board of Directors recommend the appointment of M/s. Tomy and Francis Chartered Accountant as Auditors to hold office up to the conclusion of next Annual General Meeting.

7.3. Qualifications in Auditors Report

With reference to auditor's remark in audit report, we state as follows:-

- Note 26 and 27 in the stand alone financial statements which indicate that the Standalone Company has accumulated losses and its net worth has been fully eroded, the Standalone Company has incurred a net loss during the current and previous year(s) and, the Stand alone Company's current liabilities exceeded its current assets as at the balance sheet date. These conditions, along with other matters set forth in Note 26, indicate the existence of a material uncertainty that may cast significant doubt about the Stand alone Company's ability to continue as a going concern.

On sale of RVC Towers we are unlikely to realize any more than is required to settle amounts due to Canara Bank, and so after a sale the company would be left with no rental incomes and therefore no income at all to meet its ongoing staff and administration costs. Unless we can find a buyer for the Company who can attribute some value to the company's listed status and who would be willing to make an offer for the entire share capital, a sale of RVC Towers would most likely trigger the winding up of the Company.
- Note No. 29 to the standalone financial statements and Notes to Fixed Asset schedule regarding Change in Depreciation Policy of Fixed Assets and resultant loss amounting to ₹ 58,64,486/- including prior period Depreciation of ₹ 50,21,028.00/-.

As per estimation of management no impairment of Fixed Assets was considered during the year 2014-15, since impairment losses on Fixed Assets were provided and recognized in the previous years. However, depreciation rates have been changed to amortise the depreciable value over the useful life as set out in Schedule II of Companies Act, 2013, equally, as the holding company is expected to use the same for letting out, which will be in tune with Schedule II of Companies Act 2013. Depreciation is charged on building based on the estimated remaining life period of 25 years from the date of valuation on 17-01-2013 by the approved valuer. Useful life of various assets is as given below estimating a residual value of 1% on original cost at the end of useful life.

Item	Useful life
Furniture & Fittings	10 years
Office Equipment	5 Years

Total additional depreciation charged to the profit and loss Account is ₹ 58,64,486/-.

3. Note No. 30 to the stand alone financial statement regarding write back of Account Payables to Aspire Communications P Ltd and Aspire Peripherals P Ltd, two wholly owned subsidiaries of the Standalone Company amounting to ₹ 253,45,879.00/-.

Since the company has fully stopped its principle business being Software Development and its sales and service and company have no trade receivables during the year.

Payables to Aspire Communications P Ltd and Aspire Peripherals P Ltd, wholly owned subsidiary of the company amounting to ₹ 253,45,879/- has been written back to Profit and loss account as Exceptional item as these companies have stopped all it activities.

4. Note no. 31 to the standalone financial statement regarding unsecured loans from Associate companies amounting to ₹ 246,936,135.00/-.

8.3. Corporate Social Responsibility Policy

The provisions of Section 135 of the Companies Act, 2013 and the rules made there under relating to Corporate Social Responsibility are not applicable to the Company.
