The Company has transitioned the basis of accounting from Indian Generally Accepted Accounting Principles ("IGAAP") to Indian Accounting Standards (IND AS) from April 01, 2017. Hence, the numbers reported for 2017-18 are not strictly comparable with those of previous years.

CAPLIN 2.0

Caplin Point reported revenues of ₹552 crore and a profit after tax of ₹144 crore for the year ended 31st March, 2018.

At this point, the Company's cash-accretion is stable, secure and sustainable.

At Caplin Point, we embarked on building upon this strategic platform with a number of future-facing initiatives during the year under review.

These initiatives were undertaken with the objective to address emerging global opportunities, create new business engines and prepare Caplin Point for the next round of its growth journey.

Caplin 2.0 has begun.

CAPLIN POINT. TOUCHING PEOPLES LIVES

1 Giselle in Lobito, Angola, needed to buy cardio-vascular medicines that would be high in purity and integrity.	2 Martina in Valparaiso, Chile, needed to buy tablets that would have no side-effects.	3 Mia in Quito, Ecuador, needed to buy ophthalmic medicines that would come with the assurance of branded products.
4 Benjamin in Mixco, Guatemala, needed to buy an inhaler that would be completely ethical, manufactured around the highest regulatory standards.	5 Catalina in Caracas, Venezuela, needed to buy lyophilized injections that would be affordable for her modest savings.	6 Thiago in Santa Ana, El Salvador, needed capsules that would be available – in stock as and when she wanted.
7 Arianna in Choluteca, Honduras, needed to buy a syrup that would be accessible – without her needing to commute far.	8 Jean in Bamako, Mali, needed ovules that would be safe to use and could be available easily.	9 Rachel in Bogota, Colombia needed injection that would cost less and was of a good quality.

THINGS THAT YOU NEED TO KNOW ABOUT CAPLIN POINT LABORATORIES

01 Vision

Caplin Point aims to create new niches in the markets of our presence to ensure our current foothold remains strong and our product portfolio innovative. Looking ahead, we envisage implementing our unique business model across the globe to ensure everyone has access to quality medicines at affordable prices.

02 Mission

Innovate constantly to change the rules of the game and not merely compete in the game because it is innovation that distinguishes a leader from a follower.

03 History

Caplin Point was established in 1990 to manufacture a range of ointments, creams and other external applications. The Company got listed in 1994; its IPO proceeds were deployed in a manufacturing facility in Pondicherry. The Company ventured into the emerging markets of Africa, Latin America and The Caribbean.
