III. Other Information

The Company is making profits from the year 2001. The profitability of PVC calendering operation is adversely affected due to weak prices of PVC film manufactured by the Company due to strong competition in an over supplied market.

Considering the long term interest, the company is re-engineering its organisation to reduce the cost and improve customer services. The Company introduced additional control systems and procedures. The Company has also substituted expensive imported raw materials with domestic raw materials and has computerised several areas of operations. Due to various measures taken above, the Company has been successful in increasing the market share in Rigid Films and realisation of better prices. The export efforts have also started yielding good results.

The financial performance for the last 5 years are as under:

Year Ended	Turnover Rs. in lakhs	Profit after tax Rs. in lakhs	FOB value of exports Rs. in lakhs	Earning Per Share in Rs.
