- they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

MANAGEMENT DISCUSSION AND ANALYSIS

To avoid repetition in Directors' Report and Management Discussion & Analysis, your Directors have presented a composite summary of performance and functions of the Company.

Economy

GDP grew at 6.7% in the year 2017-2018 compared to 7.1% in the previous year 2016-17. The decline in growth was due to lackluster performance in the first quarter of 2017-18, when the producers undertook destocking activities with the implementation of the GST. However, improvement was witnessed in the last three quarters after waning of disruption post implementation of the GST. The gross fixed capital formation (GFCF) as a percentage of GDP remained stagnant at 28.5% since 2015-16. However, there has been an improvement in quarter 3 and quarter 4 in the investment rate. It is good to note that India rose 30 places in the World Bank's Ease of Doing Business ranking in 2017 to rank 100th in recognition of the Government's efforts to streamline the economy through reforms in taxation, licensing, investor protection and bankruptcy resolution and is poised to improve further.

Industry Structure and development

Garment and apparel industry is susceptible to fast changing trends and styles. It is a labour intensive industry and requires skilled and unskilled labour in large numbers. Further, the industry is pre-dominated by unorganized sector, leading to a cutthroat competition in certain segment of the industry from unorganized sector.

Unabated cutthroat competition from unorganized sector, leading to an un-remunerative pricing, your Company was compelled to have a second thought. Accordingly, Directors decided to defer the garment business from end of January, 2018. Your Directors have also decided to dispose off the processing division and necessary steps are being taken in this direction.

Performance of the Company

Revenue from operations for the financial year under review was Rs.1213.97 lacs as against Rs.1122.30 lacs in the previous year. The Company incurred a loss of Rs.352.91 lacs as against Rs.304.53 lacs a year ago.

MATERIAL CHANGES AND COMMITMENT

There was no material change and commitments affecting the financial position of the Company between the end of the financial year and the date of this report.

Opportunity and threats

The Company has suspended its garment and apparel manufacturing activity and has decided to dispose off the processing division. The Board of Directors has decided to concentrate on the hostel business.

Future Outlook

Recognition and emphasis on higher studies that too in metropolis by rural population will call for an increased need for accommodation for students. Your Company with a motive to serve the society on the one hand and earn a legitimate profit on the other, has commenced providing hostel facilities to students and other needy working and non-working women. Your directors are pleased to report that the Company has received a good response from students. With the initiative of restructuring the Company's business, the management of your Company is confident that the Company will make modest profit in near future.

Subsidiary Companies

Your Company does not have any subsidiary.
